

SEFTON WHAT'S ON NEWSLETTER

Summer 1 Half Term 2024

ADDvanced Solutions Community Network encourages, equips and empowers neurodiverse children, young people and their families, those with specific learning difficulties, SEN and Disability, and associated mental health needs. We have a blended offer of free face-to-face and online groups, workshops and learning programmes for parent/carers to better understand and support the needs of their child and for the professionals who support them.

Community Network Groups

Each week during term time, we deliver face to face and online, informal, open access workshops on different subjects to support you and your family - pre, during, post and no diagnosis. Come along to meet our team and visiting professionals.

What is a Community Network Group?

Each week during term time, we deliver informal workshops on different subjects to support you and your family at all stages of your journey - pre, during, post and no diagnosis. Our workshops are needs-led, so come along and meet our team and visiting professionals to share learning and experience.

Sefton Community Network Group

Where?

You can find us at **Thornton Family Wellbeing Centre, Stanny Field Drive, Thornton, Liverpool, L23 1TY**. There is on-site parking available, and the centre is reachable by bus via the **47** from Formby, **133** from Maghull, **63** from Seaforth and **52/52A** from Bootle/Litherland. For further information on how to reach the centre, [please click here](#).

When?	Topic
Wednesday 17th April 2024 12:30pm – 2:30pm	Identifying Problems, Finding Solutions: An open session to come along and discuss any difficulties you may be experiencing with your child or young person and explore strategies to support them.
Wednesday 24th April 2024 12:30pm – 2:30pm	Neurodevelopmental Conditions and Toileting: This session will consider toileting issues specifically around neurodevelopmental conditions. Come along with any questions or concerns you have and we will seek to work towards a solution together.
Wednesday 1st May 2024 12:30pm – 2:30pm	Specific Learning Difficulties: This week we will be looking at specific learning difficulties and giving an overview of dyslexia, dyspraxia, dyscalculia and dysgraphia - the four major specific learning difficulties.
Wednesday 8th May 2024 12:30pm – 2:30pm	SENDIASS/Barnados: SENDIASS will be joining us to discuss the information, advice and support they provide for parents and carers of children and young people with SEND, including how the service supports families through the Education Health Care Plan (EHCP) process.
Wednesday 15th May 2024 12:30pm – 2:30pm	Supporting Friendships with Neurodiverse Children and Young People: All of us struggle with building, developing and maintaining friendships at some points in our lives. Individuals with social communication difficulties may find this more of an issue than others. In this session we will look at how to support our children and young people, to understand their individual needs, nurture their resilience and reduce anxiety around relationships.
Wednesday 22nd May 2024 12:30pm – 2:30pm	Autism with Demand Avoidant Profile: Autistic children and young people will have a degree of demand-avoidance due to their levels of anxiety. Behaviour associated with autism with a demand avoidant profile can be challenging and requires a non-confrontational approach. We will discuss how to adopt this approach in this session for families.

What is the Neurodevelopmental Conditions Learning Programme?

Our Neurodevelopmental Conditions (ND) Learning Programme provides an opportunity for parents and carers to gain understanding and skills about neurodevelopmental conditions including autism, ADHD and Sensory Processing Difficulties (pre, during, post and no diagnosis) with strategies to support the difficulties that may present:

- **Neurodevelopmental conditions/specific learning difficulties and associated mental health difficulties**
- **Autism Spectrum Disorder/Condition (ASD/C)**
- **Attention Deficit Hyperactivity Disorder (ADHD)**
- **Sensory Processing/Integration Difficulties (SPD)**
- **Managing everyday challenges and behaviours associated with NDCs**
- **Your Local Offer, disability welfare rights and special educational needs support including Early Help and Education Health Care Plans**

Online Neurodevelopmental Conditions Learning Programme

Where?

[Please join us online by clicking here to register your details.](#) Our ND Learning Programme will be delivered once a week, over six weeks - only one registration is required to attend all of the six sessions and you will receive a reminder for each session.

Friday 26th April 2024 9.30am - 12.00pm	SEND Processes including EHCPs

What is the Professionals Neurodevelopmental Conditions Awareness Raising Training?

Designed to improve professionals' understanding of neurodevelopmental conditions (NDCs), how they may present and how one condition may overlap with another. Professionals attending this training will develop knowledge, skills and confidence to better support neurodiverse children, young people and their families:

- Understand the differences between ADHD, Autism, and other NDCs
- Recognise the typical behaviours of ADHD, Autism and other NDCs
- Recognise the impact that unsupported and unmanaged characteristics of NDCs can have on an individual and their family
- Understand the impact that sensory processing difficulties can have on children and young people
- Identify local support available for professionals, children, young people and their families.

ADDvanced Solutions Community Network is commissioned to deliver a limited number of Neurodevelopmental Conditions Professional Awareness Raising Training to whole teams. If you are interested in this full day's training, please call the office on 0151 486 1788 or email info@advancedsolutions.co.uk

What is the Autism Post Diagnostic Learning Programme?

We are delighted to provide an open offer to Liverpool and Sefton parents and carers, whose child or young person has received a diagnosis of autism (ASD) from Alder Hey NHS Trust, or from either Axia ASD Ltd or Healios via Alder Hey NHS Trust. This offer is in partnership with Alder Hey NHS Trust, commissioned by NHS Cheshire & Merseyside.

This unique learning programme has been designed to support and empower parents and carers in their understanding of how autism is experienced by children and young people, providing learning, guidance and strategies to better support your child/young person.

Please select the appropriate programme specific to the age of your child/young person: **3-8 years**; **9-13 years** or **14-19 years**.

Coffee Mornings, Afternoons and Engagement Events

Our team are happy to attend any face-to-face coffee mornings and/or online sessions to explain our current offer to families and professionals. Please email us at info@advancedsolutions.co.uk for further information.

Our online offer is delivered using Zoom for Healthcare. The details we request are kept securely and used in line with our privacy policy:

<https://www.advancedsolutions.co.uk/policies/privacy-policy.html>

If you are using a phone, you will need to download the Zoom app beforehand. Please be mindful of your data usage. If you do not have an unlimited data plan, you may need to connect to a Wi-Fi connection to prevent charges.

Seeking Crisis Support?

ADDvanced Solutions Community Network is not a crisis service. If you, a child or young person is experiencing acute distress and is deemed to be a risk to themselves or others, **we have listed the local area crisis contact details on our urgent support page, which you can find on our website: www.advancedsolutions.co.uk under the 'Contact' menu option.** You will also find links to national organisations that can offer support.
