Dear Parent/Carer,

This week, we have had Safer Internet Day. The children in school and at home have been given activities and assemblies to watch through our online safety for children's webpage. (Children > Online Safety) <https://greatcrosbycatholicprimary.com/online-safety-2>

Our webpage for parents & carers has been updated, so there are even more resources & links to help you and your family stay safe online. (Parents > Online Safety) <https://greatcrosbycatholicprimary.com/online-safety-1>

This time last year, we launched our 'Safer Schools' App', provided by our insurance provider Zurich Municipal. If you haven't downloaded it yet, now is a good time to do so. It's important for you to understand what children are doing online, so you can help to make them safer.

The App is designed to support and protect children by educating and empowering them both at school and at home. Through their access, your children will find information that is relevant to them and you will receive tips and advice on how to keep them safer online. Please watch the video on the school website: Parents > Information Presentations <https://greatcrosbycatholicprimary.com/information-presentations>

The different versions of the app for parents/carers and children, can be downloaded from the App Store and Google Play, by searching on 'Safer Schools'.

After downloading the app, you will be prompted to scan the QR code or enter the school name and 4-digit code.

The app also links to our school website home, calendar, policies pages.

Ensure that push notifications are enabled to keep up-to-date with our tips, advice and guidance on how to make your children safer.

Parents/Carers version:

Children's version:

This is a valuable communication tool that will help us keep you up-to-date and your children safe.

Yours sincerely,

*A Cannell*
