

Year 1

Summer Term

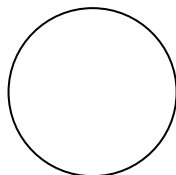

Maths Homework Mat

1. Can you sort the numbers 1-20 into two groups; odd or even.

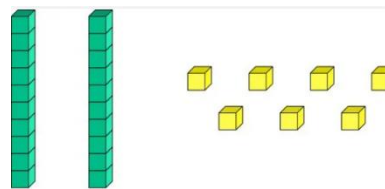

ODD

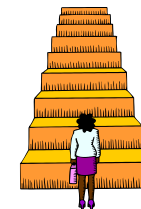

EVEN

2. Ask an adult to think of a number between 10 and 20. Tell the adult how many tens and ones there are in the number. Can you draw them?

3. Each time you go up the stairs, count in 10's and each time you go down the stairs, count in 5's.

4. Looking at the hands on the clock, time yourself doing the following activities;

- get dressed
- brush teeth
- skip around the garden

5. Go on a shape hunt in your local area. What 2D and 3D shapes can you see?

6. Play a hopping game. Hop on one leg, then change over. Every time you change legs, count up in 2's. Can you count back in 2's?
