

Year 1

Maths Homework Mat

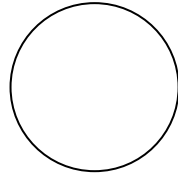

Summer term

1. Can you sort the numbers 1-20 into two groups; odd or even.

ODDs

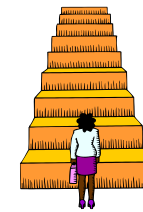

EVENs

2. Ask an adult to think of a number between 10 and 20. Tell the adult how many tens and ones there are in the number.

3. Each time you go up the stairs shout out odd numbers and when you come down the stairs, shout out even numbers.

4. Looking at the hands on the clock, time yourself doing the following activities;

- *get dressed
- *brush teeth
- *skip around the garden

5. Find different 2D and 3D shapes in your local park

6. Play a hopping game. Hop on one leg, then change over. Every time you change legs count up in 2s. Can you count back in 2s?
