Articulation of Phonemes

Please watch the video attached below to familiarise yourself with the correct pronunciation of the phonemes and digraphs the children are learning. It is very important that the children use these correctly in their reading sessions to help them segment and blend the words they are attempting to decode.

- After reading, practise reading some extra words or play some games that use the sounds they found tricky in their book.
- Use the useful links below to play lots of games that encourage your children to read and apply their phonics knowledge.
