

5 reasons to visit the British Masters

Championship Village

When you visit the British Masters, it's not just about watching the golf! Look out for tonnes of activities and make sure you take part! In our Championship Village, there's the opportunity to hit some shots with American Golf and Callaway. You'll also find several exhibition units to explore, Maui Jim and their sunglasses, and covered seating in which to relax. And don't miss our Charity Long Putt Challenge – can you conquer the long putt!?

Get out on course!

Have a wander out on to the golf course and watch some of the action up close and live! And don't worry, you won't get hungry or thirsty! Throughout the golf course are numerous food and drink outlets for you to enjoy!

Big Screens

In the Championship Village, you'll find our three big screens! If you're tired from a walk out on to the course, sit back, relax and watch your favourite golfers tackle one of the best golf courses in Britain!

The Finishing Holes

Our signature hole, the par 3 16th, boasts a natural amphitheatre for you to watch the action from the slopes around the green. What's more, our 700-seat grandstand on the final hole provides you with the opportunity to grab the best chair in the house as the winning putt is holed and the Betfred British Masters Champion is crowned!

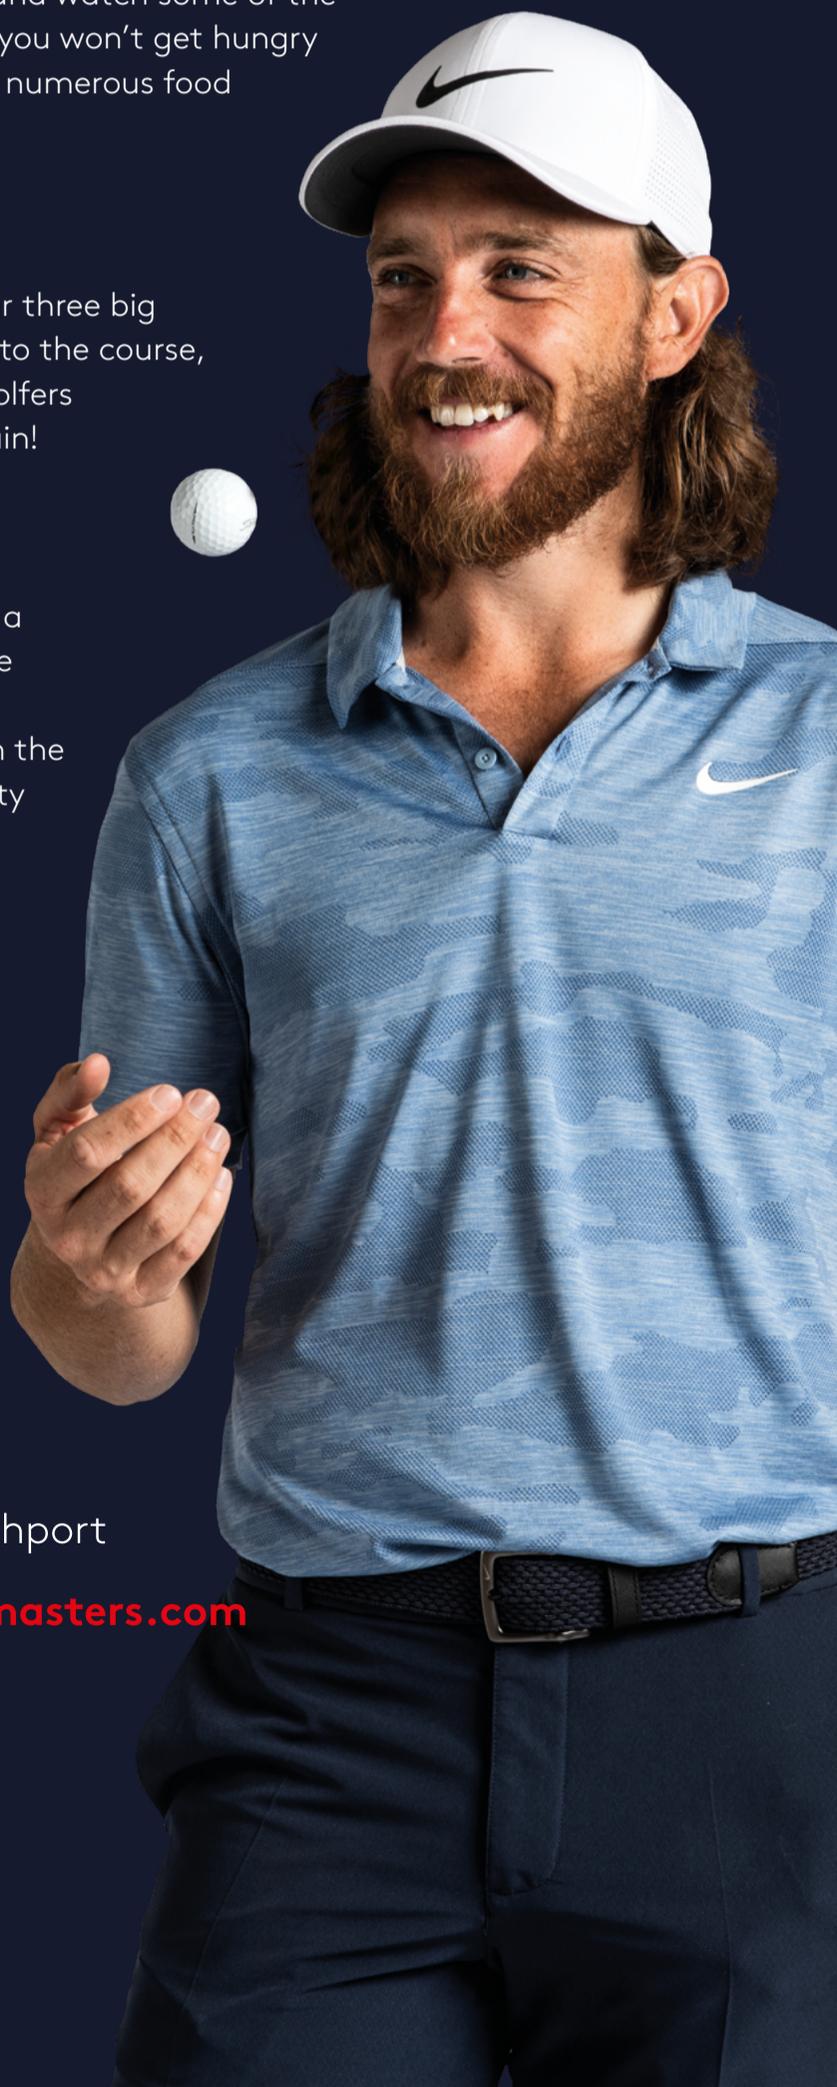

European Tour Merchandise Shop

Don't miss the chance to make your mates jealous even after your day at Hillside comes to an end – be sure to visit the European Tour Merchandise Shop for some must-haves!

Tickets from £13

8-12 May, Hillside Golf Club, Southport
