

Summer Holiday Challenge 2026!

Activity 1 The FIFA World Cup 2026 is running from 11th June-19th July. Choose any team and select 5 players to name a fun fact about each of them. You can also research some fun facts about the country you choose.	Activity 2 Try a new sport/hobby! You can try things such as learning to ride a bike or playing with a football. You can write about the skills you have learnt, and what your favourite part of it was. Make sure to show a picture to earn your credit.	Activity 3 Go on a nature walk. You could visit places such as a forest or the park. See how many different types of wildlife you can find, such as insects or plants. Take a picture of at least 10 types of wildlife to earn your credit.	Activity 4 Create your very own board game. Base the theme on your favourite movie. Create your own rules and add characters, spaces, and cool challenges. When you play with your family, you can change the rules at any time!
Activity 5 Find rocks in your garden or the woods and collect some. Wash them and then create fun designs or positive messages on them. You could also wait for them to dry and then hide them for friends and family to find.	Activity 6 Write a diary all about your Summer holidays! Keep track of every day and what you got up to. You and your friends can share the diaries to see what everyone else got up to during their break.	Activity 7 Create a time capsule. Add all your favourite things (but not things you like too much!) and close them in a sealed box. Bury the box in your garden so that you can dig it up again years later. Make sure to take a picture before burying it!	Activity 8 Try some awesome science experiments at home. Follow this website's instructions and make sure to show a picture of how it went. https://www.weareteachers.com/easy-science-experiments/

Collect extra Children's University credits during the Summer break by completing this challenge. Each activity is worth 1 credit - unless stated otherwise when you take evidence of your activity to your teacher or send it to your local Children's University. Make sure to tick off your activities when completed. Send it to SeftonCU@elevate-ebp.co.uk

The link to Activity 8 is on <https://greatcrosbycatholicprimary.com/childrens-university> the Our Learning > Children's University page on our website.
