

*As always, we need your support to run these events.*

*We will be putting a request out nearer the time for any support you can give.*

*We've listened to feedback regarding our Key Stage 1, Santa event and we are looking to change things up this year to ensure we are not limited in terms of ticket numbers.*

*By running a Santa event during the school day we can ensure all of the Key Stage 1 children are involved.*

*Plans will be confirmed and Details will be sent out in plenty of time.*
