YEAR 6 HOMEWORK ROUTINE

Dear Parent/Carer,

As we begin the new half term, we would like to give you the details of the year 6 homework routine.

We will now be using the CGP Sats booster books and would like to thank you for your support in purchasing these books. We are really looking forward to the progress the children will make through using these books.

All homework set supports the learning happening within your child's classroom and we would kindly ask that you support us in ensuring that your child completes all homework by the set date and brings it into school for marking. Your child also needs to have their homework diary in school every Monday so that they can record that week's homework in it.

Monday – Manga High – maths assignment linked to the week's maths lessons, one week to complete

Tuesday – Maths – Complete in CGP book and return the following Tuesday

Wednesday – Spellings on Edshed – tested the following Wednesday

Thursday – Reading – Complete in CGP book and return the following Thursday

Friday – Grammar and Punctuation – Complete in CGP book and return the following Friday.

We really appreciate your support and commitment to your child's homework, which will enable them to reach their potential this year and help with their organisational skills as they move into secondary school next September.

Kind regards,

Year 6 Teachers
