

## Comparing books with films

Name: ..... Date: .....

Many well-known children's books have been made into films or animations. Your task is to compare a book you have read with the film version.

Here is a checklist to remind you which things to write about.

- Title and author of the book
- Did you see the film first or read the book first?
- Are the characters the same?
- Are the characters the way you imagined them to be?
- Is the storyline the same or has it been changed?
- What was your favourite bit in the book and was it your favourite bit in the film? Is it the same, if not why?
- Which version do you prefer and why?

If you haven't read a book that has been made into a film, your job is to think of as many books which have been made into films as possible. Here are a couple to get you started.

Book/film	Author
<i>Matilda</i>	Roald Dahl
<i>Harry Potter and the Philosopher's Stone</i>	J.K. Rowling
