

Reveal focus 6: God never stops loving.

Even if you feel very angry, don't break God's law of love. Never let the sun go down, never go to bed still feeling very angry with one another.

Always do your best to sort out quarrels, grudges and resentments from the very beginning.

If you don't, they will grow and will destroy not only other people and your life together, but yourself as well.

Be generous, understanding, sympathetic and forgiving.

Forgive each other as quickly and generously as God forgives you.

What do you think each of the passages tell you about God's love?

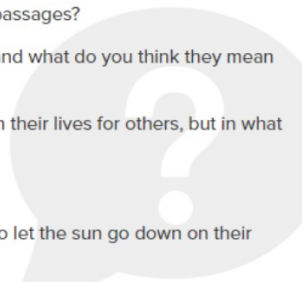

How do you feel when you have read each of the passages?

What do you think are the key words in each text, and what do you think they mean for people today?

Most people will probably not be asked to lay down their lives for others, but in what way do you think those words might apply?

How do we give of ourselves for others?
