Has your child received an autism diagnosis or on the pathway for a diagnosis?

Join the National Autistic Society's EarlyBird programme to learn more about autism and how you can support your child.

EarlyBird programme

Meet other parents and share experiences on our 10 week face to face programme. Designed for families whose **child is under five**, we can help you understand autism and support your child, including:

- supporting interaction
- understanding sensory differences
- developing play
- interpreting behaviour

" I will be forever grateful for the opportunity to go on EarlyBird when Daniel was young, because he's doing amazing now."

This is your local licensed EarlyBird group leader, trained by the National Autistic Society.
