

Following on from our previous Geography topic 'Our Local Area' where we explored Crosby and its many features, we thought this would be a great opportunity for you to explore our city Liverpool which would have been our next topic.

### Famous Landmarks

Can you find out about any famous landmarks such as statues, museums and buildings in Liverpool? Make a fact file about all the ones you can find!

### Human and Physical features

Using prior knowledge, make a table and list all the human and physical features in Liverpool

### Useful links to get you started

## Geography Exploring Liverpool

### The Beatles

Find out as much information as you can about the famous band The Beatles and create a poster with all the facts you found out. Remember to use your artistic skills by including pictures, colour and creativity!

### Anfield and Goodison football stadiums.

Can you create tickets to watch football at both of these stadiums? Think carefully what will need to be included (date, location, who is playing, seat number, time).
