Dear Parents and Carers of Nursery and Reception,

As the situation with regard to Covid-19 is developing rapidly, we as a school need to prepare contingency plans in the event of another full lockdown.

Can you please inform school if you meet the critical worker status as detailed in the latest guidance from the Department for Education (please see the link below or the attached guidance).

The critical worker status is for those people who have to go to work. If you are able to work from home, then the guidance says you should do so and therefore you won't require a key worker place should a further lockdown arise.

Please check the guidance carefully and if you need to register for a place you must email admin.greatcrosby@schools.sefton.gov.uk on receipt of this email.

You must include your name, your child's name and class and your place of work. You must also include which key worker category you are in and the details of your line manager and their phone number should we require to check this status out.

We will only use these details in the event of a further lockdown and as yet that decision has not been made nationally.

Thank you for your understanding and support in these extremely difficult times

Kind regards
