Dear Parents and Carers of Y6,

As the current situation hurls us into the virtual world, we will be providing a 'meet the teacher' session virtually, through our current Parents' Evening system.

This causes us some challenges regarding internet connectivity, so we will trial this method of communication with Year 6 first.

You will log into the system and make your appointments in the same way as before (we will send you a separate reminder letter).

We will also provide information for parents/carers on how to attend appointments over video call.

In order to make video calls you will need to have a device with a microphone and speaker and a compatible web browser – it is recommended that you use your smartphone – if you don't have a front-facing camera, use a laptop or computer with a webcam. A headset (or earphones with a microphone) may be useful to reduce echo.

If you do not have the facility to video call, you will be able to turn the video option off and have a conversation with the teacher.

In these challenging times, we appreciate your co-operation in finding new ways to communicate while keeping us all safe.

Kind regards
