Dear Parents and Carers,

We have received the annual request from the Archdiocese for our 'schools levy' for 2023-2024.

This money goes towards funding building projects and repairs in Catholic schools across the Archdiocese. We have as a school benefitted greatly from this fund over the past several years. This year we have been allocated £100,000 for toilet refurbishment and we still require further improvements. Without schools paying this levy we would be unable to undertake such works.

Last year we only raised 20% of the levy. Unfortunately, if we do not reach the full amount, we have to use the money in the school's limited budget, which takes away opportunities for our children. With all the increases this year we will have to count on your support to pay this year's levy.

We therefore ask you for a £10.00 per family contribution, payable by cheque, cash, online on SchoolComms or by standing order.

If possible, please can you pay via the School Gateway App. Please download the free app by searching 'School Gateway' in your App store if you have not done so already.

To set up an annual standing order payment, you will need to use your surname as the reference. Below are our bank details required to set up payment with your bank.

Thank you for your continued support.
