Dear Parents,

An exciting opportunity is available for Year 5 children to continue small group lessons with their string interest instrument choice from Year 4. The group would be the Year 5 Strings group with Mr Naylor, our Sefton music string teacher. The choice of instruments would be violin, viola and cello. There may be a possibility if your child would like to start on a different string instrument other than the one they studied in year 4 - a group could be set up if there is enough interest. Lessons will take place weekly on a Wednesday.

Your child

- Will require an instrument which can be loaned free for the next two years from Sefton Music Service or you may supply your own
- Must show commitment for **TWO** years
- Must be willing to practise regularly and show good behaviour in the lessons
- Will be responsible for looking after their instrument when it is in school

There will be a charge for lessons of £50 per term (please pay with a cash/cheque to the school office or by Schoolcomms with confirmation of offer) and this must be paid before your child starts their lessons,

Any problems please do not hesitate to get in touch.
