## **Logo Lift Off Competition**

UK Space Agency is asking pupils from Great Crosby Catholic Primary School to design a logo that will go on rockets launched from the UK in 2022. This will spread awareness about the role that small satellites play in helping to protect our planet from the effects of climate change.

Everyone who enters will receive a special certificate from the UK Space Agency, and shortlisted winners will present their logo virtually to high profile, expert judges – who will decide the overall winner!
