Covid Alert

We have attached the new guidance on testing and isolation from Public Health Sefton. Please note that a negative LFT is not sufficient for your child to return to school if they have symptoms.

Please remember to inform school if your child has had a positive PCR or LFT on covidalert@gcp.org.uk - please provide symptom type, symptom onset date, and date of PCR/LFT test.

Please note that day 1 is the first full day after the positive test result or onset of symptoms. Further advice is available on

<https://www.gov.uk/government/publications/covid-19-people-with-covid-19-and-their-contacts/covid-19-people-with-covid-19-and-their-contacts>

If your child is returning to school having done 2x negative Lateral Flow Tests, please send confirmation to covidalert@gcp.org.uk. Thanks.
