Covid Alert

Following the latest guidance on testing and isolation from Public Health Sefton, please note that a negative LFT is not sufficient for your child to return to school if they have symptoms.

Please remember to inform school if your child has had a positive PCR or LFT on covidalert@gcp.org.uk - please provide symptom type, symptom onset date, and date of PCR/LFT test.

Please note that day 1 is the first full day after the positive test result or onset of symptoms. Further advice is available on

<https://www.gov.uk/government/publications/covid-19-people-with-covid-19-and-their-contacts/covid-19-people-with-covid-19-and-their-contacts>

If your child is returning to school having done 2x negative Lateral Flow Tests, please send confirmation to covidalert@gcp.org.uk. Thanks.

Dinner Money

Sefton have informed us that from Friday 1st April the cost of a school dinner will be £2.30 per day, £11.50 per week. Thanks.

Levy 21/22

We realise it is difficult to know what the levy is for, it does go towards funding building projects and repairs in Catholic schools across the Archdiocese. We have as a school benefited greatly from this fund – new fire alarm, renewal of flat roofs and this year we are asking them to support toilet refurbishments in some of our less modern toilet blocks.

If, as a school, we are unable to raise the levy we will have to try and find it from our already tight budget. Hopefully we can count on your support.

Online Safety Warning – Poppy’s Playtime

There is a new online horror game which some children are talking about in school. It’s called Poppy’s playtime and is based on a toy called Huggy Wuggy which chases you around a toy factory. It looks quite gruesome.

There is not an official rating for the game and is causing older children to have nightmares.

For more information about the game and how to support your child with online safety please follow this link.
