Updated guidance from 1st April 2022

Updated guidance advises that children who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school **when they no longer have a high temperature, and they are well enough to attend.** Children with a positive Covid-19 test result should try to stay at home and avoid contact with other people for 3 days, which is when they are most infectious.

We will be relying on you as parents/carers to keep your children at home if they are unwell. Thank you for your continued support.

Dinner Money

The cost of dinners this term is £62.10, which is £11.50 per week, £2.30 per day.

On Friday 13th May for the Mental Health Foundation we are asking children to wear a green accessory – socks, bobble, hat or t shirt over their uniform for a **50p donation.** Thanks
