

Nursery Autumn Term 2 Curriculum Brochure

The children are now well settled into Nursery and are beginning to establish friendship groups and they are becoming more confident knowing and following the rules and routines of Nursery. This newsletter is to inform parents about the topics we will be covering this half term.

Come and See -

We deliver Religious Education through the Come and See programme. Our Come and See topics for this term include 'Welcome' and 'Birthdays'.

Personal, Social and Emotional Development -

This term we are continuing to develop our personal, social and emotional skills. Through games and play, we will encourage turn taking, listening to others and negotiating skills, which many find difficult at this age.

Now that the weather is getting colder and we need to wrap up warm, it is helpful if you could encourage your child to learn how to put their coats, hats and gloves on independently. In addition, they could practise being able to fasten zips. Please ensure that all items of clothing are labelled with your child's name. If your child has still not brought their wellies into school, could you please ensure they do ASAP to allow us to play out in all weather.

Literacy -

We have enjoyed talking about autumn and describing autumn treasures found outside from our walk around school. We will be looking at 'Room on a Broom', 'Leaf Man' linked to the children's interests and 'The Monsters Birthday', 'Buster's Birthday' linked to our Come and See topic. Towards the end of this term, our literacy will be about Advent/Christmas and lots of making lists, writing cards and writing letters to Father Christmas.

Snack Money -

Snack money this term is £10.50 per child and £21.00 for full time children. If you could please send this into school in a named envelope. Thank you.

Remote Learning -

In the event of Nursery needing to self isolate, home learning will be available on our school website for pupils. If needed, please visit www.greatcrosbycatholicprimary.com and select the 'Children' tab followed by 'Nursery' from the drop down menu.

Evidence Me

Please read the attached letter below.

Dear Parent/Carers,

In Nursery, we use the 'Evidence Me' app. This allows us to share with you observations of your child at school via the 'Parent Share' feature.

In the next few days, you will receive an email from donotreply@evidence.me inviting you to confirm that you would like to receive your child's observations. Please follow the instructions on the email to accept the invitation. Please also remember to check your spam/junk inbox for the invitation as sometimes emails can get lost in there!

We are also hoping to use the 'Evidence Me' app in order to support our home school link in the event of our Nursery bubble needing to isolate.

Please visit <http://help.evidence.me/evidence-me-help-for-parents/> for further information and guidance.

We are all looking forward to the build up to Christmas and even during these unprecedented times, we will endeavour to make this special time as magical as possible for the children.

Thank you for your continued support

Nursery staff
