Dear Parents/Carers,

During the school closure, a number of resources are available for children to access online. These include the following:

A grid of all suitable websites for each of the year groups is available on the children's pages of our website. Classroom Secrets resources are available as PDF as well

Twinkl also has resources for you to use with the pupils, a link is available. Please aim to complete some phonics/reading, writing and maths activities each day.

Science resources are on Purple Mash or BBC Bitesize and we would recommend science work be completed twice a week.

Music websites are listed on the music page and you can always take some virtual tours of museums and art galleries.

In these challenging times it's really important to keep children happy with some outdoor play, planting or physical exercise.

We will update the pages as we can.

Kind regards
