The National Literacy Trust

Every community faces different challenges and we need local solutions. Significant government investment and a national educational policy have not achieved results in the most deprived areas. We believe that by taking coordinated action at a local level to drive up literacy levels, we can support increased educational attainment and employability skills, and improve health outcomes and social capital. National Literacy Trust Hubs and regional campaigns help communities to achieve these aims.

Phonics Play

An interactive version of the nursery rhyme with several effects and animation.
Great for Exploring objects

Detail your services

There has been a huge shift in the past few years in how we teach reading in UK schools. This is having a big impact and helping many children learn to read and spell. Phonics is recommended as the first strategy that children should be taught in helping them learn to read. It runs alongside other teaching methods such as Guided Reading and Shared Reading to help children develop all the other vital reading skills and hopefully give them a real love of reading.

- Phoneme Spotter

The great snail race

Yesterday's great race was bravely won by Crazy Dave.

The start of the race was delayed by rain. The crowd became frustrated but just eighty minutes later the grey clouds rolled away. Crazy Dave (aged eight) has been training hard since he was a tiny baby snail.

He left all the other snails trailing behind him. We asked Lazy Daisy (who came eighth) if she had anything to say. She stated, "Dave is my mate and I think he is great but I hate it when he beats me."

Games used at Great Crosby

- Phoneme Sorter

The screenshot shows a digital game interface for a phoneme sorter. It features six vertical columns, each with a header label: 'a_e', 'ay', 'ai', 'eigh', 'a', and 'ey'. Below each header, there are green rectangular boxes containing words. The 'a_e' column has 'safe'. The 'ay' column has 'stayed'. The 'ai' column has 'waiting' and 'paint'. The 'a' column has 'lady'. The 'ey' column has 'prey'. At the bottom left, there is a text instruction: 'Click to get a word then drag it to the correct column'. To the right of this text are two 3D cylinder icons, one red and one yellow. At the bottom right, there is a yellow button with the text 'Best Bet'.

a_e	ay	ai	eigh	a	ey
safe	stayed	waiting		lady	prey
		paint
