

SHOW RACISM THE RED CARD SCHOOL COMPETITION 2023

Show Racism the Red Card School would like to take this opportunity to cordially invite your School to participate in our annual School Competition 2023, which **is now open!**

The Competition is held annually, is free to enter and open to young people of all ages & abilities. It gives young people from schools and other educational settings the opportunity to express their anti-racism ideas creatively with an original anti-racism theme. Pupils work with SRtRC educational resources in a classroom setting before producing entries.

There is a plethora of dynamic and hard-hitting educational resources, on the brand-new SRtRC Education Hub which is now available online and free to access.

The hub consists of resources exploring various forms of racism and how to tackle stereotypes and misconceptions.

Created specifically for teachers and educators, the Education Hub provides access to step-by-step, guided lessons and activities so that you can promote anti-racism amongst the young people in your school/organisation.

You can access the Hub at: <https://theredcardhub.org/>

The Show Racism the Red Card School Competition 2023 is a chance for young people across the country to take ownership of the anti-racism message and express their creative ideas. Young people can participate as individuals, or as part of a group and entrants can produce work in a wide-range of media, including artwork, creative writing, film/music & T-shirt designs!

The entries are consistently inspirational and SRtRC make sure that many entries have a resonance beyond the Competition, by using them in educational resources and magazines, on the campaign's website, social media channels, YouTube and a Calendar, each year.

The best entries (as decided by a panel of independent judges) are invited to high profile Awards Ceremony at a Premier League Stadium, to receive prizes from special guests, including current and ex-professional footballers.
