Dear Parents/Carers

Re: Revised School Meals Charges April 2024 – Primary Schools

As you will no doubt be aware, food and raw material costs have continued to rise sharply over the past year and further increases are forecast. Whilst we have continued to absorb as much of this as possible, it has unfortunately now been deemed necessary to increase the price of a school meal.

With effect from 1st April 2024 the cost of a set meal provided to all primary schools will be increased by 4.5% from £2.42 to £2.53 for pupils.

The charges for cafeteria foods, other than the meal of the day, will be increased by 4.5%.

Yours sincerely,

Catering & Building Cleaning Services
