Spring 1 Half Term 2024

ADDvanced Solutions Community Network encourages, equips and empowers neurodiverse children, young people and their families, those with specific learning difficulties, SEN and Disability, and associated mental health needs. We have a blended offer of face-to-face and online groups, workshops and learning programmes for parent/carers to better understand and support the needs of their child and for the professionals who support them.

Community Network Groups

Each week during term time, we deliver face to face and online, informal, open access workshops on different subjects to support you and your family - pre, during and post-diagnosis. Come along to meet our team and visiting professionals.

What is a Community Network Group?

Each week during term time, we deliver informal workshops on different subjects to support you and your family at all stages of your journey - pre, during and post-diagnosis. Our workshops are needs-led, so come along and meet our team and visiting professionals to share learning and experience. See below for further details on our face-to-face and online Community Network Groups for this half term.

Sefton Community Network Group

Where?

You can find us at **Thornton Family Wellbeing Centre, Stanny Field Drive, Thornton, Liverpool, L23 1TY**. There is on-site parking available, and the centre is reachable by bus via the **47** from Formby, **133** from Maghull, **63** from Seaforth and **52/52A** from Bootle/Litherland. For further information on how to reach the centre, [please click here](#).

When?	Topic
Wednesday 10th January 2024 12:30pm - 2:30pm	Understanding Echolalia: In this session we will be discussing echolalia. What it is, and how we can support our children and young people with communication.
Wednesday 17th January 2024 12:30pm - 2:30pm	Visit from Dynamic Support Worker: This week we will be partnering with the Dynamic Support Keyworker Service, who will be joining us to discuss how they can support children, young people and their families.
Wednesday 24th January 2024 12:30pm - 2:30pm	Genetic Conditions: Understanding the physical, medical and neurodevelopmental elements of the many different genetic conditions can be confusing and, in some cases, isolating for families. Join the team to discuss concerns and identify the organisations that can support you.
Wednesday 31st January 2024 12:30pm - 2:30pm	Supporting Transition: We will be looking at supporting the transition of children and young people, using strategies and planning to reduce their anxieties around change.
Wednesday 7th February 2024 12:30pm - 2:30pm	Autism and Girls: Autistic girls can be missed in assessment because autism can appear differently to the way it presents in boys. In today's session we will look at the differences between autistic boys and autistic girls, and specific ways to support autistic girls.

Monday All Area Online Community Network Group

Where?

[Please join us online by clicking here to register your details.](#) Only one registration is required to join any of the topics listed below and you will receive a reminder each week, which includes the link to join. Our online offer is delivered via Zoom for Healthcare.

When?	Topic
Monday 8th January 2024 9:30am – 11:00am	Identifying Problems, Finding Solutions: An open session to come along and discuss any difficulties you may be experiencing with your child or young person and explore strategies to support them.
Monday 15th January 2024 9:30am – 11:00am	Supporting Siblings of Children and Young People with ND Conditions: This session will discuss ways to explain neurodevelopmental conditions to a sibling, to help them to better understand their brother or sister; sharing strategies to improve relationships and reduce sibling rivalry.
Monday 22nd January 2024 9:30am – 11:00am	Genetic Conditions: Understanding the physical, medical and neurodevelopmental elements of the many different genetic conditions can be confusing and, in some cases, isolating for families. Join the team to discuss concerns and identify the organisations that can support you.
Monday 29th January 2024 9:30am – 11:00am	Supporting Transition: We will be looking at supporting the transition of children and young people, using strategies and planning to reduce their anxieties around change.
Monday 5th February 2024 9:30am – 11:00am	Sharing a Diagnosis: Today's session is all about how we can share our child or young person's diagnosis with them and with their family, friends and other significant people in their life.
Monday 12th February 2024 9:30am – 11:00am	Tantrums V Meltdowns: Is my child having a tantrum or a meltdown? What is the difference? How do I support them during this? Today's workshop looks at these and other concerns, and we will be discussing strategies to help.

What is the Autism Post Diagnostic Learning Programme?

We are delighted to provide an open offer to Liverpool and Sefton parents and carers, whose child or young person has received a diagnosis of autism (ASD) from Alder Hey NHS Trust, or from either Axia ASD Ltd or Healios via Alder Hey NHS Trust. This offer is in partnership with Alder Hey NHS Trust, commissioned by NHS Cheshire & Merseyside.

This unique learning programme has been designed to support and empower parents and carers in their understanding of how autism is experienced by children and young people, providing learning, guidance and strategies to better support your child/young person.

Please select the appropriate programme specific to the age of your child/young person: **3-8 years**; **9-13 years** or **14-19 years**.

What is a Family Learning Workshop?

Our online family learning workshops aim to increase parents and carers understanding of a particular topic around neurodevelopmental conditions and gain strategies to support their child or young person at home and in school, with the opportunity to interact with our team via the chat and Q&A function.

Family Learning Workshop

Where?

Please join us online by clicking here to register your details. Our online offer is delivered via Zoom for Healthcare, and you will receive a reminder with the link before the session via your email.

When?	Topic
Friday 26th January 2024 9:30am - 11:30am	Difficulties Attending School

What is the Professionals Neurodevelopmental Conditions Awareness Raising Training?

Designed to improve professionals' understanding of neurodevelopmental conditions (NDCs), how they may present and how one condition may overlap with another. Professionals attending this training will develop knowledge, skills and confidence to better support neurodiverse children, young people and their families:

- Understand the differences between ADHD, Autism, and other NDCs
- Recognise the typical behaviours of ADHD, Autism and other NDCs
- Recognise the impact that unsupported and unmanaged characteristics of NDCs can have on an individual and their family
- Understand the impact that sensory processing difficulties can have on children and young people
- Identify local support available for professionals, children, young people and their families.

ADDvanced Solutions Community Network is commissioned to deliver a limited number of Neurodevelopmental Conditions Professional Awareness Raising Training to whole teams. If you are interested in this full day's training, please call the office on 0151 486 1788 or email info@advancedsolutions.co.uk

Coffee Mornings, Afternoons and Engagement Events

Our team are happy to attend any face-to-face coffee mornings and/or online sessions to explain our current offer to families and professionals. Please email us at info@advancedsolutions.co.uk for further information.

Our online offer is delivered using Zoom for Healthcare. The details we request are kept securely and used in line with our privacy policy:

<https://www.advancedsolutions.co.uk/policies/privacy-policy.html>

If you are using a phone, you will need to download the Zoom app beforehand. Please be mindful of your data usage. If you do not have an unlimited data plan, you may need to connect to a Wi-Fi connection to prevent charges.

Seeking Crisis Support?

ADDvanced Solutions Community Network is not a crisis service. If you, a child or young person is experiencing acute distress and is deemed to be a risk to themselves or others, **we have listed the local area crisis contact details on our urgent support page, which you can find on our website: www.advancedsolutions.co.uk under the 'Contact' menu option**, where you will also find links to national organisations that can offer support.
