

An opportunity to help shape the future of SEND services in Sefton

Thursday 24<sup>th</sup> February 10.00-12.00 or 1.00-3.00

Caradoc Mission Community Church, 165 Seaforth Road, L21 4LB

OR

Wednesday 2<sup>nd</sup> March 6 – 8pm at West Lancs Yacht Club

Five years ago Sefton Parent Carer Forum were involved in a Moving Forward event in conjunction with local services. This February we would like to look at the outcomes of that event and how things have changed. The focus will be on the lived experience and our hopes and aspirations for our children and young people with SEND. This is an opportunity for parent carers to talk to representatives from education, social care and health. The four areas we want to look at are –

The lived experience in the past five years, good and bad

Where would you like to be in five years time?

How do we get there?

How will we know?

Will hope to host an evening session in the Southport end of the borough, details to follow.

Refreshments provided.

Limited numbers so booking is essential. Email [info@seftonpcf.org](mailto:info@seftonpcf.org)
