

# **WE ARE GOD'S CHILDREN**

**We are God's Children  
Walking always in the love  
Sharing always in the gifts  
We have received**

**And as God's children  
We will care for one and all  
Building just the place  
The place where we can live**

- 1. A place of peace  
A place of love  
A place for all  
Who live in our God**
  
- 2. A place to be  
A place to see  
A place to go  
And follow our God**
  
- 3. A place to learn  
A place to grow  
A place to long  
To be with our God**
