24th May 2024

Dear Parents/Guardians,

To support our work in Science, we are going on a field trip to **Chester Zoo** on **Thursday 20th June 2024**. The visit will give the children the opportunity to study a wide range of animals including their habitats, looking closely at any special features the animals might have to enable them to live in a certain habitat. The children will experience an exciting, action packed day which will be memorable for them and also help with the development of vocabulary ready for our writing activities. We are asking for a voluntary contribution of **£13.00** which includes our entry fee and coach fare. Although this is a voluntary contribution, if we do not receive sufficient funds the trip will not be able to go ahead.

The children will need to wear their school uniform with leggings or tracksuit bottoms and a pair of sensible footwear. They will need to bring a waterproof jacket and a sun hat or cap. Remember the weather can change considerably throughout the day and the children will be outside throughout the trip. Please ensure sun cream has been applied before arriving at school, if your child brings sun cream into school they will need to be able to apply it themselves. If you are providing your child with their own lunch please ensure they bring it in a named carrier bag, which will be disposed of after lunch. As well as their food the children will need a small disposable water bottle for the day.

We need an early start. Please ensure your child arrives at school no later than 8:50am so that we can be away by 9:15am. We are expected back around 3:10pm.

Thank you for your continued support
Year 2 Team

Chester Zoo Year 2 Trip – Thursday 20th June 2024

I give permission for to attend the Chester Zoo trip. Class

I enclose £13.00 to cover the cost of the trip I have paid on Schoolcomms
