

1.

Practise forming your letters correctly using paint.

2.

Draw around somebody in your family and label the different parts of the body. Can you think about where their brain, heart and lungs should go?

3.

Draw a picture of your favourite character from a book; it could be from your school reading book or the library book you have chosen to bring home.

4.

Using some tricky words from your list, make some SNAP cards and play with a friend or an adult.

5.

Choose a story to listen to from <http://www.oxfordowl.co.uk/storyteller-videos>
Retell the story to a friend or adult.

6.

With an adult find an information book or look on the internet to find out a fact about our senses - sight, hearing, touch, taste, smell.
