

ENGLISH

In English, the children will learn how to:

- Write a persuasive letter about how we could improve the school.
- Write the ending of the class novel 'Stormbreaker'.
- Write an alternative scene, based on Charles Dickens 'A Christmas Carol'.

COME AND SEE

In Come and See the children will study:

- Ourselves** - To know ourselves and appreciate that our value and uniqueness is central to our well being
- Belonging**- Through Baptism the Christian is called to a life of holiness and to the mission of spreading the Good News
- Hope**- Waiting in joyful hope for Jesus to come in glory

MATHS

In Maths the children will learn about:

- Place value of whole numbers and decimals
- Addition and subtraction with whole numbers and decimals
- Perimeters of shapes
- Properties of number - multiples, factors, primes, composites, squares and cubes
- Multiplying and dividing by powers of 10
- Area and volume

MUSIC

The children will follow the Charanga music programme.

- How does music bring together?
- How music is a peacemaker and friendmaker?

YEAR 5
AUTUMN 2024

SPANISH

Children will be learning Spanish for the first time and will be having one lesson per week.

SCIENCE

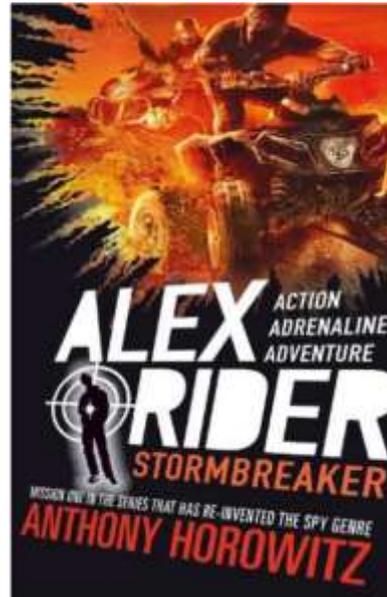

In Science the children will learn about:

Earth and Space:

Day and night, seasons, rotation and movement of Earth.

Animals inc. Humans:

- The human body changes from birth to old age, physically and developmentally;
- To investigate a given hypothesis and record their findings;
- To compare the gestation periods and different life spans of animals including humans.

PHYSICAL EDUCATION

P.E days are **Tuesday (inside)** and **Wednesday (outside)** - children should come into school in their school P.E kits, including plain navy/black jogging suit, on those days. (including trainers). No large logos on clothing.

COMPUTING

In **Computing**, the children will have online safety lessons using the ThinkUKnow Play, Like Share resources. They will also learn how to create vector drawings using Publisher.

In **Geography**, the children will learn how the earth is formed, mountain formation and why earthquakes and volcanoes occur.

In **History**, the children will learn about Britain's settlement by Anglo-Saxons and Scots.

IMPORTANT DATES

Parents Evenings

16/10/24 and 17/10/24

Chet meeting

Wednesday 2nd October

CHET residential

21/10/24 - 23/10/24

Class details TBC

Bikeability

Each child will receive a letter informing them of the date they have been allocated. This will include any additional information you need.

Homework

Spelling Shed - Every **Monday** a new set of spellings will be put on the site. Children should learn them ready for a test the following **Monday**.

Maths - Every **Wednesday** children will be given a maths sheet to be returned the following **Wednesday**.

SPAG - a SPAG sheet will be sent home on **Friday** and should be returned on **Friday** to be marked in class.

PLEASE - Practise times tables if your child is still not secure to 12x12
-Encourage them to login and use Times Table Rock Stars.
<https://play.ttrockstars.com/auth/school/student/26823>

In **Science**, you can help your child by:

- Discussing the changes humans experience as they age.
- Encourage the children to adopt a healthy lifestyle and talk about the benefits of doing so.
- You could try to involve the children in mealtimes and encourage them to make better choices for their snacks and lunch boxes.

In **Art**

We will be using our Access Art Scheme and our first topic will be: Typography and Maps

The children will print using polystyrene tiles.

In **D.T** the children will make an earthquake proof structure.
