

A reminder from Crosby Library: Sign up for the Summer Reading Challenge -

- Visit one of our local libraries and tell them your child would like to take part in the Summer Reading Challenge.
- The librarian will sign up your child and give them a collector folder. Your child will set a reading goal.
- Your child can borrow and read books, eBooks and audiobooks for their Challenge. They can read anything they like!
- The library will provide stickers and rewards for your child's reading.
- There is a gift for every two books that are read, up to six books.

Crosby Library is also a centre for researching your Family History. If you were inspired by our Heritage Week, they have free online access to Ancestry and Find My Past as well lots of local history documents. The staff are very helpful too!

From Woodlands Hospice: My name is Sonia, and I'm the Events & Challenges Manager at Woodlands Hospice, located in the far right-hand corner of the Aintree Hospital grounds.

With the school holidays fast approaching, I know it can be a challenge for parents to keep their children entertained — especially with the rising costs that come along with it. That's why we've put together a programme of fun, family-friendly activities designed not only to inspire ideas for the break but also to help raise vital funds for your local hospice.

SUMMER HOLIDAY FUN

with a Purpose

We know how challenging the Summer Holidays can be for parents, keeping the kids entertained while managing the extra costs isn't easy!

That's why, here at Woodlands Hospice, we've created a programme of exciting activities to help keep your family busy during the school break while raising vital funds for your local Hospice.

Here are just a few ideas to get involved:

Take on a Family Challenge

- Run at Aintree Racecourse
- Walk up Snowdon
- Join an inflatable obstacle race in Cheshire

Get Creative at Home

- Host a cake sale on your street
- Organise a kids' car wash for neighbours

Fundraising is a rewarding experience for parents and children, teaching compassion and community support. Even small events can have a big impact.

Create fun summer experiences while fundraising!
