**Give your child the invaluable life skill of swimming.**

- Regular lessons with fully qualified, experienced and friendly teachers.
- An increase in confidence from having learned a new life skill.
- Learning the vital four competencies:
  - Swimming 100 metres unaided
  - Treading water
  - How to call for help
  - Swimming in clothing
- The ability for children to safely enjoy a wide variety of water based activities.
- Gain an understanding of how to be safe in, and around, all types of water including the sea, lakes and streams in all weather conditions.
- Leading to career opportunities such as a Lifeguard or Swim Teacher.

**All Swim School children get unlimited FREE Swims during Casual Swim Sessions**

**Lessons are for all abilities and ages: from first time learners to older children wanting to improve their skills.**
