14<sup>th</sup> January 2026

Dear Year 1 Parents/Carers,

To support our learning about the Titanic disaster in our history work, we have booked a visit from the 'Maritime Museum on Tour' team to come in to school on Thursday 12th February. The Maritime museum is closed for refurbishment at the moment, so this is the best way for us to enrich our learning and access the expertise of museum staff.

The museum team will deliver a Titanic storytelling session for each class, with the children taking part in the amazing story of Douglas and his toy bear, Polar. Through the story we will learn about different aspects of life on board the famous ship, as well as life in the Edwardian era, and the family's subsequent rescue in a lifeboat.

The cost of this workshop is £4 per child. Please pay via School Gateway.

We will share photos from the day on the school website, on our Year 1 page for those who have given permission.

We are sure the children will enjoy this enhancement to our learning. Thank you for your continued support,

Year 1 Team
