Recap from last week:

*we're*

*we're* is a contraction.

Can you work out which two words have been contracted to make *we're*?

*we are = we're*

The apostrophe represents the omitted letter 'a'.

were or we're?

Remember, **were** is the past tense of the word **are**,  
and **we're** means **we are**.

 both eight years old.

We  watching TV last night.

Do you know where  going?

They  very tired yesterday.

Wednesday

Homophone Bingo! - Split your page into six.

Choose six of the following words for your board. I will read out the words in a sentence so you can tell which spelling of the word

I have chosen! E.g. If I say 'the deep blue sea', you know you can cross off 'sea', not 'see'.

There/their/they're  
where/wear/we're/were

See/sea

Bare/bear

Son/sun

Blue/blew

If you're at home, try playing this several times, taking turns with family members to be the bingo caller, making up the sentences.
