Old Business:

New Business:

Car Show, Dave Snell:

We are hunting locations for the 2025 June Car Show:

- CV High School is a good candidate and could support 300 cars with 10' spaces. The downside is that the use of the site would require the club to purchase additional insurance.
- Adams elementary is out because we cannot park on the grass.
- Adair park is a wide-open space, 200 cars max, but there is a clearance issue getting cars into the display area. A ramp would have to be built.

Dave mentioned to the group that private fields could also be suitable- see him if you have any candidates. It was also mentioned that the LBCC automotive campus might be available.

Two dates were presented to club members for a vote: Saturday, 6/14 or Father's Day, 6/15
Membership decided that Saturday, 6/14, would be the better day in spite of the conflict with OSU's graduation event.

Overnight, Janeen Rudd: No volunteers to organize it

Holiday Party, Pete Rocco- 12/14 at Carinos in Albany
2 to 5 pm, we will have the Gift Exchange- see Pete's email for the process.

Michael Henich will be a guest speaker at the Jan and Feb meetings

Murphy Gleske told the club to mark the calendar for LBCC Dyno Days 2025: May 16th and 17th of 2025.

Committee Reports:

Roadmaster Committee:

DJ said:

- Albany Swap Meet is 11/16;
- Phyllis Secher is giving Hemmings and other auto publications to the club for any to take

Sunshine Committee:

Refreshments- Thank you **Heather and Rich Brookes** for the refreshments.

Presentation: Bart Eleveld gave an interesting presentation on Borgward cars- many thanks Bart!
