

BOIL OVER for AUGUST 2023

The first of two picnics is this Sunday the 20th. We will utilize a flat top grill as charcoal fires are prohibited under the current fire ban.

Saturday prior is **Meadowlark's Hot August Nights for Alzheimer's** and is also the highly regarded Independence show at the park. I, along with Chuck Z. and his Rally Olds plan on going to Lebanon. Let one of us know if you would like to leave early for the noon-4:00 event. We will cruise over together. Route to be decided.

[Pete Rocco's 1964 Impala made the cover art/photo on the Meadowlark's Facebook Page announcing their Second Annual Show .](#)

The following weekend is the popular car show at the **Albany Arts and Air Festival**. Yea Steve M. and John D's Studebaker club's show 8/26!

John Drzal's Studebaker Champ Pick up at last year's Studebaker show in Albany

Patty Rocco stands by "MONTE, the little guy". My sign asked for your votes for the Orphan Class and the 1959 Sprite took the plaque!

The 27th the following day (Sunday) is the club display at **Corvallis Manor**.

Please display your ride and potentially make some ones day! Last year we met Axle Deininger at the Manor. Kim, his widow, attended a club meeting a while back, and she told us how our visit last year

was so special to him. He spoke of it often prior to his passing. (Kim has the Pontiac Catalina that she is interested in restoring as it goes back to when they were married.)

Please let me know if you will display at the Manor. We need to reserve space for the cars and report on how many for lunch. ALL THIS IS ON OUR CALENDAR – on- line. Check out the updated information at

<https://www.corvallishistoricautoclub.org>

THANKS AND HAPPY MOTORING

Pete Rocco, President
