

The Radiator

OFFICIAL PUBLICATION OF THE CORVALLIS HISTORIC AUTO CLUB

President's Note:

I wish to thank everyone in this car club that has done their best to prepare for another great Corvallis Swap Meet and Dust 'em Off" Car Show. The Swap and Show Committee met many times, ironing out wrinkles, deciding on the trophies to order, and preparing for over one hundred show vehicles to arrive on Sunday April 23.

Club Secretary, Chris Hagler who also serves on the Swap and Show Committee, and has been busy with some additional duties. He took on the job of contacting local "celebrities" to attend the show. Thanks to Chris, we will have the Mayor of Corvallis, Charles Maughan present his own trophy to a vehicle he selects. The Corvallis Chief of Police Hurley will pick "The Most Likely To Get Pulled Over" Trophy.

Jani Burton tells me she would be honored to select and present the CHAC Past Presidents trophy.

(I'm gonna ask Jani to pick another vehicle while she is at it, and also present the CHAC Club Pick- but don't tell her just yet!) Gary Peterson and Malena will select a few categories for awarding. But there are thirty six to present. If you would like to take on this job, please reach out to me for the remaining judging opportunities.

Many of our trophy sponsors will also be on hand Sunday. Many of our sponsors will be on hand to select a vehicle that will ultimately receive their paid-for prize. And those prizes are nice. Glass trophies with engraved plaques carry our message, along with the sponsor's name. Come by the Registration Table (in the auditorium) at the show and check them out before they are handed out later in the day on Sunday.

We have hired a Disc Jockey to come play some tunes and more importantly, make announcements and keep the crowds informed. This cost, along with printing of the windshield cards each vehicle wears at the show, has been underwritten by Michele Mincinski of the Gillott Team. They are our major sponsor this year. Please visit Michele's table at the car show. Tell her how much you appreciate her support of our event.

There will be kettle corn and Italian ice. We have "Saving Old Steel" back again. Mike Halsey will be photographing each vehicle as it makes its arrival the gate. His photos will be available to participants to have printed on a tee-shirt. At that gate is - once again - John Drzal. His team does a fantastic job of keeping them moving... He collects admission and sends the vehicles towards the parking team. It's a bit wild in the early part of the day, but you get to see all the cars arriving at the show!

The Philomath Lions will once again add to the food selections available to the attendees. In addition to the goodies available in the Arena Kitchen as always, breakfast foods will be served by the Lions until 11:30 when they switch over the grill to serving burgers and lunch foods.

In anticipation of a hot one, we have a soft-serve ice cream vendor at the show this year. Let's hope they sell out.

Our event is rain or shine. As I write this message, it has been wet, Oregon wet. Depressingly wet. Enough said. Let's pray for a great day. And thanks for volunteering for a job at the show. -Pete Rocco

I am selling the black 2003 Jaguar XJ8 that I brought to several of the Cars and Coffees last year. It has 65,000 miles and the price is \$7500. I am selling it because I rarely drive it and now I lost storage for one of my other cars that I need to bring home.

Thank you, Roy Temes
