OFFICIAL PUBLICATION OF THE CORVALLIS HISTORIC AUTO CLUB

President's Notes:

CHAC Installs New Officers

Let's welcome Chris Hagler as Secretary and Sebastian Heiduschke as Treasurer! I truly appreciate these two gentlemen stepping up to the task. Sebastian will continue his excellent job of Webmaster.

CHAC on-line

Have you checked out the evolving and fabulous CHAC on-line? Marsha Raymond, our continuing Member-at-Large, will be joined by Rich Brookes (in the role of Past President) on the CHAC Board of Directors. Rich will bring a new dynamic to the meetings from his perspective of the Swap Meet and its longtime relationship to the functioning of the club. Because the Swap has been the mainstay of this group, I felt it crucial to have that viewpoint part of the planning process for the CHAC.

What's Next?

The fiscal year of the club begins March First. We will increase our insurance policy to comply with the mandatory levels needed to satisfy the Benton County Fairgrounds. We will have our first Greasy Guys Garage Tour at two facilities (Saturday, March 11th) and host The CHAC Banquet where we celebrate the past officers and thank them for their service (Saturday, March 25th).

The CHAC Challenge

I am asking every member of this club to commit to one task to benefit the club. And, I want you to

accomplish this prior to our Swap and Show. It can be selling a Trophy Sponsorship for the Car Show, accepting the job of Club Advertising, joining a committee, or setting up a Club overnight or trip.

Remember that the only true money-maker for the club is the Swap and Show (April 23rd). The club bank account needs to be topped-off. How about promising to post Flyers promoting our event at every establishment you patronize. Food stores have a bulletin board, auto parts stores often let us post flyers and coffee shops, liquor stores. The list goes on. Will you step up to my challenge?

The Swap Calendar

The long-standing Chemeketa swap meet has met its end. That event had been held on Father's Day Weekend. This opening in the calendar presents a new opportunity to the CHAC. I need a consensus from membership regarding changing our April date to this more weather-favorable time. Would you endorse changing the club swap and show to June 2024? Get back to me right away. Click [here](#) to offer your opinion.

The deposits we have with the Fairgrounds are completely refundable. The big thing to consider is the change in the club calendar, and the 'muscle-memory' or tradition of the club. The rain is warmer in June.

Thanks everyone for listening.

Trivia Question:

There is a radiator shown on the front page of this issue: Name the car the radiator belongs to.

(Answer on Page 7)

For Sale Ads:

I am selling the black 2003 Jaguar XJ8 that I brought to several of the Cars and Coffees last year. It has 65,000 miles and the price is \$7500. I am selling it because I rarely drive it and now I lost storage for one of my other cars that I need to bring home.

Thank you, Roy Temes
