## Kids Club! September 2020

Beginning Sept. 8th:

Tuesday & Thursday K-2nd grade 12:30-2:00

Wednesday & Friday 3rd-5th grade 12:30-2:00

Week of September	Art and Art History	Music	Life Skills
Sept. 8-11	Drawing and texture using pen & ink. Inspiration for texture- Albrecht Dürer, shading and fanciful imagination: M.C. Escher	Using simple percussion instruments, students will create rhythms as a group.	Threading a needle, sewing a large button: two holes and four holes
Sept. 15-18	Good dreams: Learn about the Ojibwa people of Canada and Northern United States, create an artistic dreamcatcher.	Identify beats in different genre of music; duplicate the beats	Using button sampler from week 1, create a pillow with a back and a front. Seam the edges, and stuff the pillow.
Sept. 22-25	One point perspective: Artists use perspective to create the illusion of space in a drawing or painting. Grant Wood's landscapes have a foreground, a middle ground, and a background. We will create depth through a tunnel book.	Painting to music: Can you paint the rhythm you hear? What does sound look like? Kandinsky heard each sound as a distinct color. Let's focus on the abstract overlap of painting an image as we listen.	Origami: Create a small lidded box out of origami. Leave a small surprise for someone to find!
Sept. 29-30, Oct. 1-2	Pumpkins on Parade! The community art project in Chicago 1999, "Cows on Parade," has traveled the world's major cities. At Art Time for Kids, we will make a paper maché pumpkin, then paint it with a planned theme. Each child will design their own pumpkin with colorful design	Musical Exploration: Did you know that music is a language? How do musicians write their language? Can you read the music?	The art of the instructional video. All the kids have seen YouTube tutorials on everything from "how to make a PBJ" and beyond. Each child will create their own tutorial. Public speaking skills, story structuring, and handy how-to's all at once!
