From the Pastor's Desk

¹⁸ Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. ¹⁹ Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, ²⁰ and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." Matthew 28:18-20

As I sit down to write this article it will soon be October 31, the anniversary of the day Luther posted the 95 Theses onto the church doors in Wittenberg in 1517. We know that the world was changed forever. The church was reformed.

Living now in 2022, there is a need for a new reformation. How that reformation will look is unknown. I did a bit of research on the word reforming. I googled it.

When you look at the word reforming in a thesaurus, some of the synonyms for reforming are reclaiming, redeeming, regenerating, rehabilitating. Other words that could be included are reeducating, improving, refining, cleansing, purifying, and restoring.

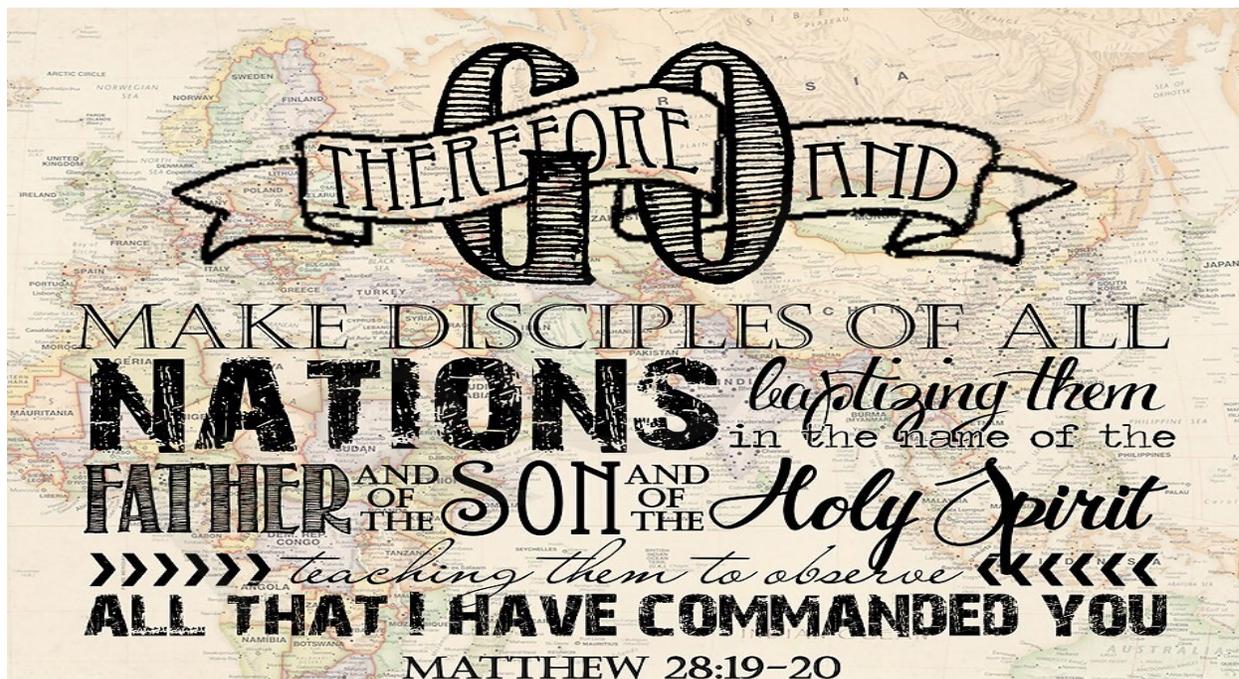

To reform means being active in many ways. To be a church of the Reformation is to be church on the go. To move forward appraising our ministries is a must. Based on their effectiveness and our skill sets and talents we can then set our goals accordingly.

Council, like last year, will meet this month to discuss the ministry at Zion. Although Zion has a mission statement, scripturally and spiritually we will be led by the words of Jesus in Mathew 28:18-20.

Please pray for our council and for the people of Zion as we all continue to do ministry together.

Happy Reformation!

Pastor Scott

Notes and News

Used Postage Stamps Wanted

Used postage stamps to support "On Eagles Wings" who are volunteer Bible Camp teams who fly north from Yellowknife, NWT to the far reaches of the Mackenzie Delta and teach the Inuvialuit people and children about Jesus. Please leave the used stamps in the "Used Postage Stamp" box located at the front entrance of the church.

Update from St. Joseph's Food Bank

For me today is a day of giving thanks!

First I would like to thank the gardeners who planted our garden, watered it and then harvested the bounty. They planted beans, tomatoes, cucumbers, kale, beets and potatoes.

Thank you to the people who hooked up our water supply and gave us a load of topsoil.

All the vegetables were given to the St. Joseph's food bank where I got the pleasure of giving them out to our clientele. If there were questions about any of these vegetables I tried to tell them how to use them.

A lady told me that she had never had squash before and didn't know if her children would eat it. I told her to try one and told her how to cook it and let me know what she thought of it. The next time she came in she told me she had cooked it up and gave the children some to try. They loved it and the one son wanted to know if he could have seconds.

Secondly I would like to thank all the people of our church and other friends and family who graciously helped me with my appeal for bottles, milk bags, the blue bags from flyers, canned items and some financial help. Please continue to contribute these items if you are able.

The food bank is a busy place and getting busier but it is a fulfilling job to work at. We get to know some of these people personally and know the struggles they are going through and try and help them with anything we can do for them. When I receive a smile and a thank you from these people it is my great reward for working there.

We are so fortunate to have such a caring and loving church!

God bless!

Jam Jar Fundraiser

Every Thanksgiving the people of Zion choose to help some group of people somewhere. This year we wish to help out St. Vincent de Paul. They offer a valuable service in our Pembroke area. They assist the needy of the community in emergency situations through home visits, assistance with paying rent, utility bills or supplying groceries. The charity also operates a soup kitchen called Saint Francis Cupboard. We humbly ask that you would help us out again this year by taking home a jar and filling it with change, bills or a cheque (if you wish). E-transfer is also an option; please note in the memo: Jam Jar. Please return by All Saints Sunday – November 6th. Don't forget to put your name and envelope # in the jar if you would like this added to your yearly offerings. Many thanks for your support in helping the vulnerable people in our own community. If we all do a little, it adds up to a lot. Thanks be to God!

Soup And Sandwich Luncheon

The Social Ministry Team will be hosting a Soup and Sandwich Luncheon November 6th with music accompaniment by Blaine Sack on our grand piano on the stage, and proceeds will also be directed to St. Vincent de Paul. . Come on out for a great time and in support of St. Vincent de Paul. This is the wrap up to Social Ministry's Jam Jar Fundraiser. Thank you for your support.

Garage Sale

We did it again! Thank you so much to everyone! Our garage sale was another huge success. We had many wonderful donated treasures looking for a new home and they found it. We had over 400 shoppers Saturday morning. They also enjoyed our Zion Café with coffee and a snack or to purchase a plate of baked goodies. They were delicious. Thank you to everyone who baked for us. Our garage sale is such an effective recycling program where everyone wins. A special thank you goes out to our many volunteers who tirelessly toted boxes, organized, cleaned, sorted and priced. A huge task to say the least. All the left overs were packed up and given to various organizations. Some were sent to Nuts and Bolts thrift shop on main street, toys were taken to Bonita Richardson for the Nursery School on Doran Street. Baby items will be given to First Step Options, some boxes taken to Value Village and some to the Mission Thrift Store. Enough for everyone. The proceeds are as follows:

Café: 256.50

Jewelry: 322.00

Garage Sale: 3355.05

Total: 3933.55 to be donated to First Step Options

Thank you again, you generous people of Zion!

Legion Prayer

They shall not grow old as those that are left grow old.
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
we will remember them.
WE WILL REMEMBER THEM.

Pulse Ministry

PULSE MINISTRY consists of three different programs. Every generation is invited to worship and to Messy Church: Messy Church, Youth Group, and worship. The worship Service is called “Living Stones”.

Messy Church is another alternative, in addition to Sunday School (not in place of), that is held in the evening once a month. It includes Food, Crafts, Games, Faith Talk, and Fun! It is for all individuals young and old. The next event is November 7th at 5:30pm.

Youth Group ages 12-16. If older kids show up we won't turn them away. We will be meeting on the 2nd and 4th Friday of the month from 6:30pm – 9pm.

The next **“Living Stones”** worship is **Sunday, November 20th at 12:30pm**. It is an intergenerational service. It is in the gym and is led by a praise team. If you have musical gifts you would like to share please contact Pastor Scott or Pastor Sue. Those that want to come to worship can come early for coffee.

Confirmation

Our confirmation classes continue to meet. They meet on Wednesday, November 2nd and Wednesday November 16th at 6:15pm.

Staffing costs along with heat, insurance, hydro, telephone, and maintenance all must be met. Regular giving's are used for day-to-day expenses. Also we have held back on our commitment to synod benevolence because of our deficit and we are \$9,000 behind in our remittances to them. If you cannot attend, we have set up e-transfer to the church's office e-mail zionoffice@nrtco.net for online donations. You can still mail your cheque or arrange to drop off at the office. Pre-Authorized Remittance (PAR) is another way to give weekly whether you're away or here. Contact the church office at 613-732-8792 for more information.

Thank you for your prayers and continuing support. May God bless you and keep you safe,
Your treasurer, Gerry Vandersleen

A Time For Every Season.

Many residents in our long term care facilities and seniors homes, plus other individuals and families are anxiously awaiting or have already embarked on the buses for their yearly excursion into the hills and valleys, to absorb the work of God through Mother Nature. Picasso would be pleased with the assortment of colors on her palette. Through variants in light and temperatures her canvas changes daily, until foliage peaks to 8-10 until the winds and rain force them to form an insulating blanket on the ground. At each stage of our lives (yes even winter) we have experienced and enjoyed the changes in seasons when we could participate in whatever outdoor activities and sports the seasons would offer. No matter what the temperatures were. Most of us recall from our youth, jumping into a freshly raked pile of soft fallen leaves. Now these seniors who have lived most of their golden years, enter the winter of their lives and may once again absorb the beauty seen so many times throughout their longevity but perhaps with more observant eyes and stronger emotions. They can be assured that these excursions will provide combinations of colors never before seen as the artist presents her countless combination of expressive artistry as she does with the wintery snowflakes, each being different from another. Time well spent before being confined and protected inside from the bitterly cold Canadian winter. Hoping once again to view the renewal of life in the spring season. Thanksgiving with it's picturesque beauty and plentiful bounty of gourds, pumpkins and other seasonal crops makes it a special time to appreciate the beautiful area we reside in, prepared for us by our Creator an Saviour.

ZION EVANGELICAL LUTHERAN CHURCH

Council Meeting

September 14, 2022

Present: Susan Dupuis, Karen Gauthier, Jill Kellough, Michael Lange, Jamie MacKinnon, Kathy Nieman, Pastor Scott Schellenberger, Denise Schizkoske, Gerry Vandersleen (treasurer), Patricia Wegner

Excused: Erica Deloughery, Diana Wegner

- 1. Opening:** The meeting was opened at 7:00pm by Susan Dupuis. An opening prayer was given by Pastor Scott.
- 2. Approval of Agenda:** The agenda was reviewed. Additions: under committee reports- Learning, Pastoral Care.
Motion to approve agenda: Kathy Nieman.
Seconded: Denise Schizkoske.
- 3. Approval of Minutes:** The previous council meeting minutes of June were reviewed.
Motion to approve minutes: Jill Kellough.
Seconded: Jamie MacKinnon.

Guest Sandra Sell. Sandra Sell was welcomed to the council meeting to discuss three of her concerns, which include the plans with the Food Bank, the quorum at the congregational meeting on the vote for the sale of property to the Food Bank, and the church website. Council clarified and provided answers to Sandra's concerns, including:

The Food Bank- Sandra is concerned with the Food Bank being next door to the church, with the size of the proposed building, with parking spaces being lost and with the operation of the Food Bank potentially impacting the church's operations in the future. Sandra is also concerned that snow removal and parking lot maintenance are the responsibility of the church so is liability going to fall on the church as well? Gerry

indicated that if more parking spaces are needed, the parking lot could be expanded into the lot where the community garden is (the garden will remain as is), and that snow removal and parking lot maintenance will be prorated between the church and the Food Bank. As the Food Bank is only open on Mondays, there should be little impact on the operations of the church and there have been multiple opportunities for questions to be asked given the past meetings on the issue. Most comments heard have been positive and in favour of the Food Bank development to date.

Quorum: Sandra questioned the number for quorum and why a secret ballot was not part of the voting process. Susan indicated the quorum number of 50 has been part of the church's constitution since 1972 and acknowledged that in the future, a secret ballot would be the preferred way to hold a vote.

Website: Sandra mentioned some issues with information on the website. The website is under plans to be revamped but in the meantime, Pastor Scott will follow up with Doug to make corrections.

- 4. Finance Report:** Gerry gave the finance report. In comparison with the previous year, offerings are down slightly, but offerings to global hunger and the Food Bank are up. The church's total revenue is essentially the same; utility costs, insurance costs, and operating expenses are all up. Pay roll, benefit expenses, and total expenses are all up compared to last year.

- Property- Gerry gave the property report. A property meeting was held on September 12. First General will begin cleanup this week on the Miller Street property. The Miller Street

property has over \$6000 in rent owing, over \$800 in utilities owing and the previous tenant's Cogeco bill remains outstanding. Susan will look into recouping some of these costs through Ontario Works. A discussion around the 442 Miller property was held and the potential change to using the property as a temporary emergency shelter due to new information available. Further details will be worked out by the property committee and then brought to council.

Trimming along the fence line between the church and Miller Street property needs to be done (Kevin, Al, and Peter). Re-zoning of the Food Bank to institutional/residential will have to begin (Gerry will follow up). Roof repairs are required; Ian Schwantz has agreed to do the repairs. Snow removal- Gerry will approach Shane Lehman to see if he will be doing the yard once again. If not then quotes from others will be required. Recent fridge repairs should be covered under warranty (Al will follow up). Shed – Barry has prices from Old Hickory. Wayne will also look into Algonquin College making a shed for us. Doorbell- Don is looking into wireless doorbells through Amazon as an option. Pianos still need to be removed. Sanctuary doors- Kevin and Wayne will look into the best option to reseal the sanctuary doors.

- Hiring replacement for Jean- Personnel committee will meet next week with Jean and Pastor Scott to discuss hiring a replacement for Jean. Pam Duplessis will be involved in the hiring process, along with the personnel committee of Michael Lange (council representative), Allan Rose, and Kathy Godin. The position will be posted both internally and externally.
