About Us

We are part of a supply nation certified group and a member of the NSW Indigenous Chamber of Commerce.

We are currently based in New South Wales, Queensland and Victoria.

Our Aim

Giidjaa aims to connect companies in the mining, tunnelling, renewables and construction industries with the right equipment and vehicles to successfully deliver their projects.

Our Commitment

We provide exceptional customer service.

Our fleet meets the safety and compliance requirements specific to the industries we service.

We are ISO 9001 - Quality , ISO 45001 - Safety and ISO 14001 Environment Certified

Cultural and socially inclusive services and certified with NSWICC and Supply Nation.

We offer various solutions from long-term hire, hire-to-buy and ex-rental sales options.

Delivering Excellence Beyond Expectations

Fully Fitted Utes

Giiddja Hire offers a range of utes for hire. At Giiddja we specialise in utes fitted out for the mining, infrastructure and construction markets.

We provide utes with the following specifications:

- Mining Surface Spec
- Underground Mining Spec
- Infrastructure Surface Spec
- Underground Infrastructure Spec
- Vehicles can include compliance to the Safety Together specifications where required

We mainly specialise in long-term hire arrangements for hire arrangements for projects.

Elevated Work Platforms

Giidjaa Hire can supply a range of different boom lifts.

We have types of EWP's available:

- Electric and diesel scissor lifts
- Tracked scissor lifts
- Articulating boom lifts
- Telescopic boom lifts
- Tracked boom lifts
- Cherry pickers & trailer mounted booms
- Vertical masts

We have normal and rough terrain options. Contact our friendly team today to discuss your needs.

Electrical Instruments

Giidjaa Hire has a wide range of electrical instruments that are available for hire. All instruments come fully calibrated and ready to use.

If you require other equipment not listed here, please enquire with us.

Electrical

Fluke 438 Power Quality Analyzer & Motor Analyzer

The 438-II Power Quality Analyzer & Motor Analyzer helps you effectively evaluate electrical and mechanical performance just by hooking up voltage and measuring current, providing you with an unprecedented level of data.

Frida TD 24kV VLF

The HVA28TD are truly compact and portable VLF test sets for testing of medium voltage cables.

- Output voltage 29 kVpeak
- 21 kVrms Pure sinusoidal output voltage (load-independent)
- Internal TD measurement with high accuracy (1×10^{-4})
- Tan Delta measurement with various frequencies (0.01-0.1 Hz)
- Leakage Guard® leakage current correction
- Output current 20 mA max
- $0.5 \mu\text{F}$ @ 0.1 Hz @ 20 kV rms
- Highest test capacity of $10 \mu\text{F}$
- Ultra light and compact weight (14 kg)

B2 Electronics HVA30-7 High Voltage Test Set (Extra Current Model)

- Output voltage 34kVpeak, 24kVrms
- Load $0.8 \mu\text{F}$ @ 0.1Hz @ 24kVrms
- Max $10 \mu\text{F}$
- Weight 20kgs

Please enquire at enquiries@giidjaahire.com.au for more information.

visit www.giidjaahire.com.au

HVA45TD VLF High Voltage Test Set

- Output voltage 45kVpeak, 32.3kVrms
- Load 0.9 μ F@0.1Hz@32kVrms
- Max 10 μ F
- Weight 39kgs

B2 Electronics HVA60 VLF High Voltage Test Set

- Output voltage 62kVpeak, 44kVrms
- Load 1.0 μ F@0.1Hz@44kVrms
- Max 10 μ F
- Weight 57kgs

HVA68TD VLF and Tan Delta High Voltage Diagnostic System

- Output voltage 68kVpeak, 48kVrms
- Output load 1.7 μ F@0.1Hz @48kVrms
- Max 10 μ F
- New Arc- Pre-Location feature
- Weight 63kg

B2 Electronics HVA90 VLF High Voltage Test Set

- Output voltage 90kVpeak, 64kVrms
- Load 1.0 μ F@0.1Hz@64kVrms
- Max 10 μ F
- Weight 127kgs

Industrial Dust Collectors

Air quality is so important to the health of our workers in underground environments. Giidjaa Hire offers a number of different dust collectors which are designed to clean the air in underground environments.

We have the following sizes available:

- 10m³/s (20,000 CFM)
- 15m³/s (30,000 CFM)
- 20m³/s (40,000 CFM)
- 40m³/s (85,000 CFM)

Demand for dust control solutions is increasing globally.

Please enquire at enquiries@giidjaahire.com.au for more information.
