

October 5, 1998

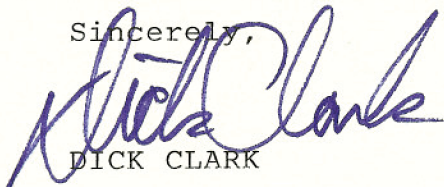

I have worked with LOU VOLPANO since 1975. Over the years, he's done a great job producing the world's largest music festivals sponsored by the leading global brands.

He is a welcome addition to L.A. and our team, for through his work managing "The Blues Brothers" and working with creative talents, he's a significant asset to any entertainment or media company that chooses to utilize his wealth of experience and solid contacts.

If you have any further questions, please do not hesitate to contact me.

Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Dick Clark". The signature is stylized with a large, looping "D" and "C".
