In late 2025, Karin began to pray about the E-zine 3-in-1 The Prophetic Word – a new vision for a new readership.

MINISTER PAUL MAXSON

“
*...God has a
Judgement and
this world is being
judged.*

Minister Paul. Thank you so much for agreeing to this interview. First of all, how did you come to know the Lord Jesus Christ as your Lord and Savior?

I was raised in Church, as a child my mom would take me every week. When I was a freshman in High School I had been going to lunch with a friend to his home and during lunch the entire family would witness to me.

I began to feel a tugging on my heart. I knew of Jesus but had never met Jesus. They invited me to Church and I responded to the Altar Call. Later I was baptized in Jesus Name and filled with the Holy Spirit at age 15.

For those who don't know - what is the gift of prophecy?

When Scripture talks about prophecy, it's not just about predicting the future. At its core, it's about speaking God's heart with clarity, accuracy, and edification. Prophecy is the Spirit-empowered ability to receive and communicate a message from God for the future for the purpose of:

- Strengthening*
- Encouraging*
- Comforting*
- Future Events*

- 1 Corinthians 12:10 – lists prophecy as a spiritual gift.*
- 1 Corinthians 14 – explains how prophecy functions in the church.*
- Acts 2:17-18 – shows that prophecy increases in the last days.*

Through dreams, visions and revelation. I will suddenly 'hear'...

How does the Holy Spirit speak to you?

Great question. Through dreams, visions and revelation. I will suddenly 'hear' something in my spirit and receive a knowing that it is going to happen. When I am operating in the Holy Spirit I just speak and God gives me the words to say and then confirms them in amazing ways. I will feel a quickening, like a tugging on my spirit and I won't feel complete until I share the message in Obedience. It will just tug and tug at me until I release it. I always pray over the message and test the spirits.

What God has revealed to you many years ago, is now coming to pass in the present. Your ministry has grown tremendously in the last few years with tens of thousands of followers. Do you believe your ministry is for believers only?

No, I don't. I am always trying to explain things in a way that non-believers can relate to and understand. I have received emails from those who came to Christ Jesus through my messages. They continue to listen/watch for years and we remain friends. I have actually met some of them in person and it blows my mind. It's very humbling.

Can you please let us know what the significance of the number 37 is to you?

On July 5th 2012 I was laying in bed when I began to have a vision. It was so real like a movie like I was a part of it and it was really happening in real life.

I often refer to it as a dream so listeners can have better understanding; yet it wasn't a dream, I was awake.

An angel showed me the number 3 and the number 7 and asked me what they mean to me. I began to respond with the typical answer I knew and the Angel said, "No, WAR." He did this twice for both 3 and 7.

Then the devil showed up off to my left and began to try and confuse me and the Angel said, "Satan the Lord Jesus Rebuke thee" and the devil vanished and the Angel gave me Zechariah 3 for me to read. I began to see the number 37 everywhere and it became like a part of my life.

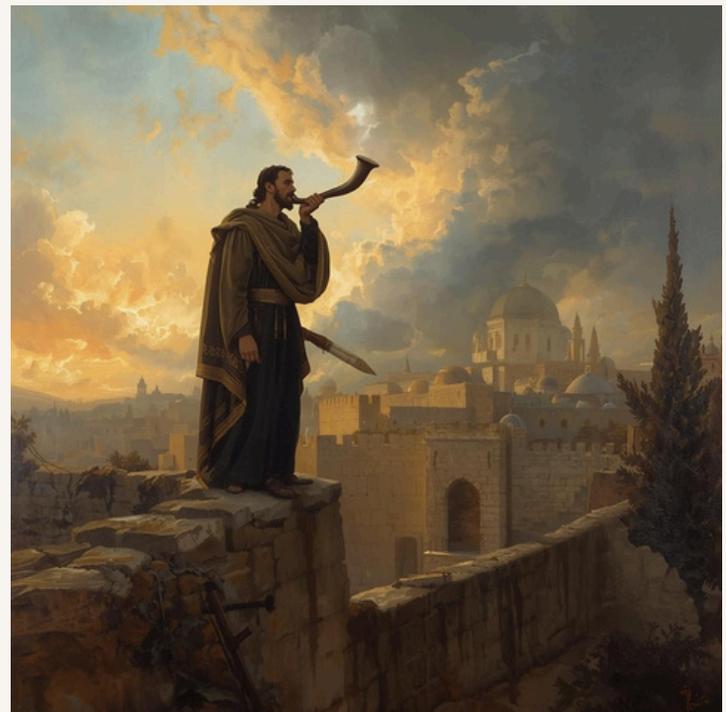

I understood it to be a warning sign that we were headed to War. I told others and they too began to see it everywhere and it became quite the phenomenon. To this day I still see it everywhere and get scriptures with it's observation. Many other report seeing it everywhere too! I often get warning messages when I see the number.

“

Jesus, died the death we deserved

What is the watchman's warning for these days that we are living in?

That God has a Judgement and this world is being judged, starting with the churches. He also has a Wrath and I am to warn that it is coming in the future and that your name must be written in the Book of Life and you must not receive the mark of the beast if it comes in our time. I believe it will.

Many brought teenagers. I was given Revelation 6 and told by God through revelation that one day this would all really happen and to warn both Coasts.

I baptized people and prayed with them and saw people healed, delivered and filled with the Holy Spirit by the power of God. After I would complete a state the Lord would give me another state and tell me to go warn them. I went to California, Oregon, Arizona, Texas, Colorado, Oklahoma and North Carolina.

When I had finished 7 states the Lord told me that this represented all of America. My heart wanted to go to an 8th state either Minnesota or Ohio and the Lord advised me,

“No, it will become too dangerous, do not go out.” I called the trips #JesusMatters and met many great people from YouTube and total strangers alike.

Do you believe that God is judging the nations at this time or what part of end times do you think we are in?

I do believe that Judgement has fallen upon both America and the world just as God promised. I believe the Seals are now opening and we are heading towards God’s Wrath. I believe Tribulation (7 years) is starting. I didn’t used to believe like

this it went against what I was taught in Ministry School but the Lord continues to tell me to stay the course and speak what He gives me in Obedience. I believe the Tribulation is an actual 7 year period and we are at the start of it and yet the Church is still here.

Q10. Some Christians believe that the Book of Revelation is spiritually symbolic. Do you believe the book of Revelation is literal in its meaning and why?

I believe that it uses symbolism to describe very real events both past, present and future. Apocalyptic writing is intentionally symbolic, but that doesn't mean it's not describing real events. For instance When Christians say Revelation is "literal," they usually mean:

- The events it describes are real*
- The judgments, return of Christ, and final victory will actually happen*

“

I believe the seals are now opening

But even those who take it literally recognize that: the dragon is not a literal dragon the beast is not a literal seven-headed creature the Lamb is not a literal lamb with seven horns.

These are symbols pointing to literal realities. Symbolic language in Scripture often reveals deeper truth, not less truth.

For example:

- Jesus is literally the Messiah
- He is symbolically the Lamb, Lion and Morning Star

The symbolism communicates character, mission, and authority I believe that all unfulfilled prophecy in the Book of Revelation will literally be fulfilled.

Can you please tell us about your ministry to the homeless and how people can help?

When I was a teenager I found myself homeless living in parks and cars. My mom had a live in job where no family was allowed and my dad had left when I was 3. The Lord Jesus gave me a heart for the homeless that has stayed with me my entire life and my wife and I (and others at times) actually go out and bring them food and water and blankets and socks and whatever may be the need in the area we are helping.

*There are also a few homeless that I met during my #JesusMatters trips who to this day are fed in Texas. The thing with helping homeless online is I have a policy that I have to know you and have met you. It's not easy but we must be good stewards of our money and there are so many right where we live or travel no matter where we go. Too many! If people want to help with our homeless ministry they can Pay Pal

What message would like like to leave our readers?

That God is a loving God and a Faithful God that is true to His Word. He gave His only begotten Son Jesus so that through Him the world might be saved and He doesn't want any to perish but rather to turn to Him. Having an active Prayer Life for the believer is paramount as is having Faith. If God asks you to do something then that is His Will and we must live in His Will even if it takes us around the country or even the world! He will never leave you or forsake you. God Bless You!

PRAYER

How to stand

STANDING IN FAITH

You cannot go into battle with a rusty sword!

There is a verse in the Bible that teaches us the importance of praying unceasingly. However, when researching this subject the author discovered that some written Bibles today have verses missing in them! Therefore, for authenticity we have double-proofed each verse used here against older paper editions of the Holy Bible.

We must trust in Jesus. The whole armor of God in Ephesians 6:14-18 tells us to arm ourselves up with the following:

- Helmet of Salvation
- The Breastplate of Righteousness
- The Belt of Truth
- Preparation of the Gospel of Peace
- The Shield of Faith
- The Sword of the Spirit - The Word of God
- Praying always with all prayer and supplication in the Spirit.

“Wherefore take unto you the whole armor of God, that ye may be able to withstand in the evil day, and having done all, to stand.” Ephesians 6:13

When we are facing the enemy, we must make sure that we are up-to-date with the Word. With recent changes and omissions discovered in printed Bibles we can see that it would appear that the ‘powers that be’ do not want people to read certain verses.

As someone once said - ‘You cannot go into battle with a rusty sword!’

When praying we are guided by the Word to do this in all supplication. What does supplication mean? It means quite simply to ask for something with humility, humbly and earnestly. Jesus taught us not just the Lord’s Prayer and what to pray - but he also taught us HOW to pray. Jesus told us:

“Therefore I say unto you, whatever things you ask when you pray, believe that you receive them, and ye shall have them.” Mark 11:24 (KJV).

Therefore praying unceasingly, believing that God is greater than your issue and that He will deliver, is essential to a successful prayer walk. In addition, it is very important to ensure that you are ready to receive what you have asked.

This author has witnessed God raise people who were in man’s eyes on life support and with brain activity of 1 on a scale of 10, not only defy the medical profession and start to breathe on their own when the machine was turned off, but go on and lead a normal life! The power of agreement is indeed powerful. The mercy of God is limitless...
