Opening a door to those who bear the Scribal Anointing, Voices of Christ International enables the writer to look beyond the flesh. In 2011 you too can partake of this knowledge and expertise. On the 22nd Jan 2011 Voices of Christ International will host a one day Book Publishing and Prophetic Writing Intensive in Atlanta, GA.

Read on to find out more about this amazing 'school of prophets' that is leading the way in literary prowess and evangelizing to the body of Christ like never before, and for such a time as this...

THE VISION, MISSION & PURPOSE OF VOICES OF CHRIST

Matthew 28:18-20 **◀▶**: *And Jesus came and spoke to them, saying, All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age.*

Voices of Christ Literary Ministries International, formerly the Voices of Christ Prophetic Poetry Team, was founded in 2000. In its infancy, the ministry operated as an evangelistic prophetic poetry team, and touched the lives of many as they traveled corporately to spread the message of Jesus Christ. In 2004, the Lord expanded the vision and transformed VOC into a global mentoring ministry or school of the scribe where writers can come and learn who they are in the Lord in an environment where they are loved, accepted, affirmed and encouraged in their individuality and supported in their ministry growth according to God's word. Our evangelistic outreach, however, is still strong in varying regions; however, the equipping area of our ministry has been pushed forward at a greater level in this season. We firmly believe that the Lord wants His scribes to know who they are through His word and how He they must walk in this season.

VISION

To prepare Christian writers to operate effectively in their prophetic call to write and release the creative word of the Lord while providing a supportive, nurturing environment that promotes individuality, spiritual growth and development, and intimacy with God.

MISSION

To break the strongholds of entertainment, comparison, compromise and competition in the worship arts by preaching the truth to believers; To restore the ministry of the literary arts to the body of Christ, and to save souls for Jesus Christ through the ministry of prophetic creative writing.

PURPOSE

To raise up generations of literary ministers who are committed to spreading the gospel of Jesus Christ with boldness and without compromise.

VOC is a ministry that believes in accountability. We are under proper spiritual covering and authority. However, this information is not publicly displayed on our website to visitors.
