Book Review

'The Harbinger' by Jonathan Cahn is a must read for everyone whether a believer or not there is an undeniable message that no one on the planet can afford to ignore. An 'End Times' book like no other written before it Rabbi Cahn delves deeply into the ancient scrolls of the Hebrew Biblical Texts and reveals an extraordinary series of events that manifested in recent times and could not have been manmade.

Before its destruction as a nation, ancient Israel received nine harbingers, prophetic omens of warning. The same nine harbingers are now manifesting in America—with immediate ramifications for end-time prophecy.

Hidden in an ancient biblical prophecy from Isaiah, the mysteries revealed in The Harbinger are so precise that they foretold recent American events down to the exact days. The revelations are so specific that even the most hardened skeptics will find hard to dismiss. It sounds like the plot of a Hollywood thriller – with one difference... IT'S REAL.

The prophetic mysteries are revealed through an intriguing and engaging narrative the reader will find hard to put down. The Harbinger opens with the appearance of a man burdened with a message he has received from a mysterious figure called The Prophet. The Prophet has given him nine seals, each containing a message about America's future. As he tells of his encounters with The Prophet, from a skyscraper in New York City, to a rural mountaintop, to Capitol Hill, to Ground Zero, the mystery behind each seal is revealed. As the story unfolds, each revelation becomes a piece in a greater puzzle - the ramifications of which will even alter the course of world history.

The Harbinger is exciting and mysterious. You will not be able to put it down! With well over 4,869 customer reviews on Amazon alone its a must for everyone's library.

Rabbi Jonathan Cahn

1. How did you come to realize Jesus as your Lord and Savior?

I was raised in a Reform Jewish home. When I was 8 years old I became an atheist. Around 12 or 13, I realized that atheism didn't work. I start searching, reading books on science, religion, the occult, UFOS, everything. One day I picked up a book called The Late Great Planet Earth – on biblical prophecy now coming true. I began to believe in my head but I wasn't willing to follow the Lord, not wanting to give anything up. But one day I was crossing a train track at night in a Ford Pinto and the train came plowing into my car. The car was destroyed, but I didn't get a scratch. I knew I had to make a decision. So on my 20th birthday, I ascended a mountain and gave my life to the Lord. It is written that Jews demand signs – some require trains.

2. What does the word 'Harbinger' mean?

A harbinger is a foreshadow, a sign or herald that signals something yet to come. In the case of The Harbinger, it is a warning and sign of coming judgment – made up of several signs, mysteries, harbingers.

3. You are known for your amazing best seller book 'The Harbinger' ((The Harbinger) about end times prophecy, we believe everyone should read this book, how important do you believe this book is and why?

I have no doubt that The Harbinger came from the Lord. I take no credit for it. It literally flowed out of me, rapidly, and was very soon finished. I don't believe I could have discovered these things on my own, but was led, as through an ancient mystery, piece after piece, until it all came together. Thus, its importance I believe is that it is a prophetic message, mystery, revelation, and warning, that is appointed for this hour. It is a warning that concerns America, the world, and the future – and literally involves the issues of life and death, judgment or redemption. It's a wake-up call, a trumpet sounding, what the Bible would speak of the sound of the watchmen. The way it came, the way it's come together, and the way it's gone forth to America and the world I believe is all because of this fact, that it didn't come from me, but from Him.

4. What was the first event that occurred that prompted you to seek God more on this subject?

9/11. Our ministry, the Jerusalem Center/ Beth Israel & Hope of the World ministries are centered right across the water from New York City. I could literally see the smoke rising up from Manhattan. My wife was supposed to be at the World Trade Center that day and that hour but at the last minute her plans were changed. In the wake of the calamity, I prayed and was led to a specific section of Scripture involving the first warning sign of judgment given to ancient Israel. Later on I found out that Pastor David Wilkerson of Time Square Church gave a word to his congregation right after 9/11, a word he said was from the Lord – It was the very same section of Scripture given to me.

Later on, I was standing at the corner of Ground Zero and my attention was drawn to a particular object. Something said “Seek into this.” I did and it became the first puzzle piece of an ancient mystery from the Bible that kept getting bigger and bigger and bigger until I was completely blown away. When I first shared it to the congregation, the reaction was the same; everyone was blown away. The feeling was that this message had to go forth to the nation and world. When I began to write it, the economy collapsed. A number of years earlier, while sharing the mystery, I had alluded to the collapse of Wall Street. This collapse opened up the second stream of ancient mysteries in the book.

5. Was there a specific pattern of events maybe?

Yes. The Harbinger is the revelation of an ancient mystery that it lies behind everything from 9/11 to the collapse of the American and global economy. It’s so specific that it actually foretells the exact words American leaders speak before they speak them. It gives the exact dates of the crash of Wall Street down to the hours – and going back thousands of years. It centers on nine prophetic signs, omens, warnings, nine harbingers that appeared in the last days of ancient Israel before its destruction – and which are now reappearing in the modern world, in America, specifically, precisely, in exact detail.

6. What scripture/passage really confirmed this to you that it could be an act of God and not just man or mere co-incidence?

As I began to delve deeper into the object I saw at Ground Zero I was led immediately to Isaiah 9:10, the ominous vow of defiance that was made in ancient Israel years before the nation’s destruction. As the mystery unfolded, everything in that vow began to manifest, one after the other. And then only after all these things were revealed, were the final harbingers revealed which involved American leaders actually proclaiming this specific ancient vow of judgment word for word. I had no idea this had even taken place when I was led to the very same verse from the corner of Ground Zero.

7. Do you believe your in-depth understanding of God’s Word as a Messianic Rabbi assisted you greatly in determining your viewpoint? If so how and why?

Perhaps. Certainly it would lead me to search deeper into the original Hebrew of the ancient Scriptures. Beyond that, I’m descended from the house of Aaron, those who used to sound the shofar to call the nation to repentance. That is, in effect, what The Harbinger is.

8. What message to you believe Father God is trying to tell us through His Word and world events?

The Lord’s heart is that none should perish. His call to America is to return. His call to everyone, whether from America or the rest of the world, is to be saved. If judgment is coming, the heart of God is to save all those from judgment who will listen. The Harbinger is the sounding of the alarm – the purpose is salvation. Let the one who has ears to hear, hear.

9. Your passion is to reach the unreachable with Jesus throughout the nations and your ministry ‘Hope of the World’ does some amazing humanitarian outreaches to the poorest in the world alongside preaching of the Word, apart from the obvious how important is the practical witness of Christ?

Hope of the World is an end-time ministry, of Jew and Gentile, together fulfilling the Great Commission. It’s aim is to spread the word of God, the Gospel of salvation to all the unreached people’s of the earth. Along with that, is the mission to help the needy of the world. And so we’re always involved with Compassion Projects, giving care to orphans, water and food to areas of famine, care to the sick, support to the underground and persecuted church, to all the world’s needy. For those who want to find out more or be in touch, they can find hope of the world on the web at HopeOfTheWorld.org

10. We live in a dying world that is dependent on what this world offers, what does Yeshua (Jesus) offer that the world cannot offer?

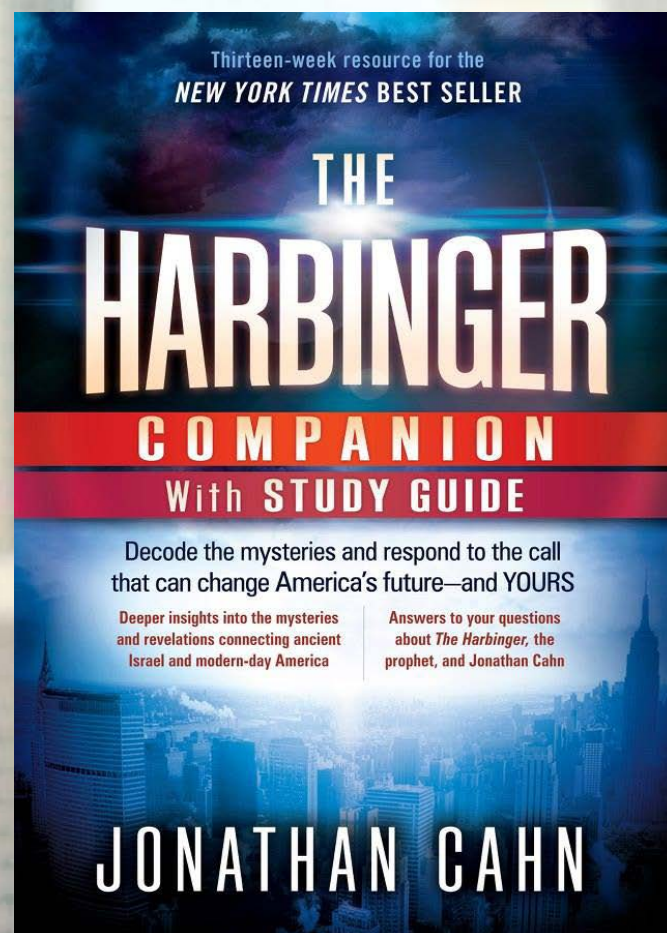

Everything – salvation, redemption, healing, life, purpose, meaning, joy. People who read The Harbinger ask, “How can I be safe?” – In Hebrew, the word for “safety” – is “Yeshua” – From that same word you get the name “Jesus.” There is safety only in Him.

11. Do you have plans to publish a follow up to The Harbinger ((THE HARBINGER)) or are there DVD’s or CD’s we can purchase?

I do have a sequel impressed on my heart, but for now I’m led to wait on the Lord and to let the message of The Harbinger go forth, as it’s still the time for it go forth. But there are some great resources that those who want to know more about the mysteries of The Harbinger or to go deeper into them. The fullest presentation is THE HARBINGER: THE FULL REVELATION – which consist of 8 Disks (DVD or CD) which gives the complete teachings, messages, revelations behind the mystery – This is available at TheHarbingerWebsite.org. Then there is a very powerful documentary version of the basic message of The Harbinger that was made by WND – It’s entitled THE ISAIAH 9:10 JUDGMENT – 2 DVDs – and that’s available at WND.com or Amazon.com.

Lastly, and this is the very first announcement I’ve made of this on any interview forum, but very shortly there will be a new book coming out – it may already be out by the time this interview goes forth – It’s called THE HARBINGER COMPANION – It’s made to take the reader deeper into the mysteries of The Harbinger, with images, pictures, photographs of the actual harbingers, maps, charts, special features such as the story behind the story, the story behind the seals, a guide to the ancient world, a walking tour and map of the harbingers, and much more. It also has a full Study Guide for individuals, classes, or churches. It will be available on Amazon and wherever books are sold

Thank you so much Rabbi Cahn. God continue to bless you and yours in all you do...Dave
