Exclusive Interview with best-selling author of "The Dubai Girl"

## Introduction

Welcome to our very issue. YES! It's a decade since the first issue of 3-in-1 The Voice was published. Birthed in a small village in County Down, N.Ireland, the e-zine took off in the first year to over 1 million hits worldwide.

Founded by visionary KARIN McBRIDE-CHENOWETH, the e-zine spawned over 27 contributors in it's first year. Although the format is different from then, the vision remains the same. To be a shofar to the nations of God's goodness, grace and power.

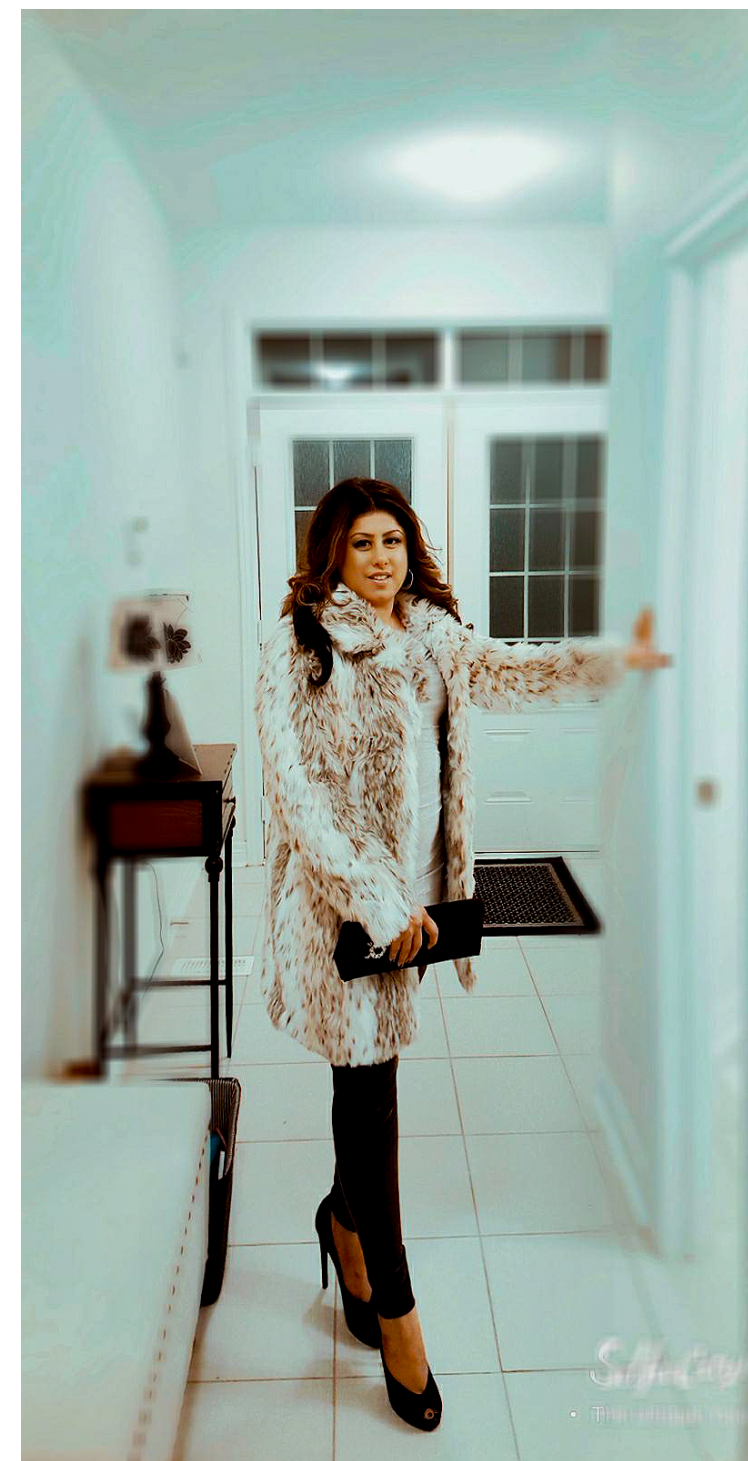

In this special edition we interview DR. SANDRA WEPPLER. Sandra has an amazing testimony and her book, *"The Dubai Girl"* became an instant best-seller. on Amazon.

We also look at the history of 3-in-1 Publishing and 3-in-1 The Voice . And ....if that wasn't enough we have a special report of the recent 'Healing Events' hosted by DT Ministries in Ireland. The events had special guest MARY HASZ who has featured in *"It's Supernatural."*

So with a packed bumper issue, I would personally like to thank everyone who has helped to make our e-zine what it is today. All the contributors, columnists, guest writers and our Celebrity Christians.

Above everything else our prayer is that ALL the glory goes to our Lord Jesus Christ and Father God our creator. I believe we have achieved this...We pray now for another 10 years of fruitful ministry...

# 3-in-1 THE VOICE

## A Decade On...

It was 1996 and I had been saved for 3 years. I was living in N.Ireland at the time in a quiet little seaside village. The Lord had blessed us, as a family, tremendously. As a single-parent at the time, it wasn't easy. However, I had great support from my parents.

I had made friends with two Christian women. Although we lived many miles apart, and I didn't drive at the time, we managed to have fellowship regularly at my home.

Ruth and Donna had already established ministries. I was delighted to just sit and listen to how the Lord was moving in their lives and the people around them. I had made myself available as an intercessor for their ministries but that was about as much I felt I could commit to.

Now, there's a thing. Isn't it funny how when you are not looking for something for yourself from God, He blesses you anyway. Well, one day the three of us were on a three-way-call via the land-line.

I had received a vision from the Lord regarding a Christian magazine. However, this magazine was like no other I had seen. It would be downloadable from the Internet and FREE to all. It had various sections: A missionary section, a messianic one, a community section and a special 'IN FOCUS' section with interviews of famous Christians. It would also have a travel section, in particular to Israel.

As I started to describe to Donna and Ruth what I had received, amazingly they started to receive separate visions while on the phone. Donna started to see the messianic section open up before her and Ruth started to confirm other sections as well. Right down to the finest detail of logos for the sections. 3-in-1 Publishing would be the umbrella for 3-in-1 The Voice and it would have guest contributors. It would run for 1 year in that format. Little did I know that after the 12 months 3-in-1 The Voice would continue in a different format but with the same message!

After our call, I really felt deep within my spirit that God had spoken to me. The next week I began to call my pastor and other churches. However, the Internet was rarely used and my own pastor even joked that he barely knew how to manage his e-mail account.

By the end of the week I was kinda down-hearted. I shared my 'findings' with my friends. Their experience and discernment helped me greatly. It maybe was not the right time or season.

After much wrestling and prayer, I decided that they must be right. However, it didn't stop me planning and laying out the e-zine format. Within a few days I had a draft of the what the e-zine would look like. All the sections, editorial, introduction etc. I shared it with my friends.

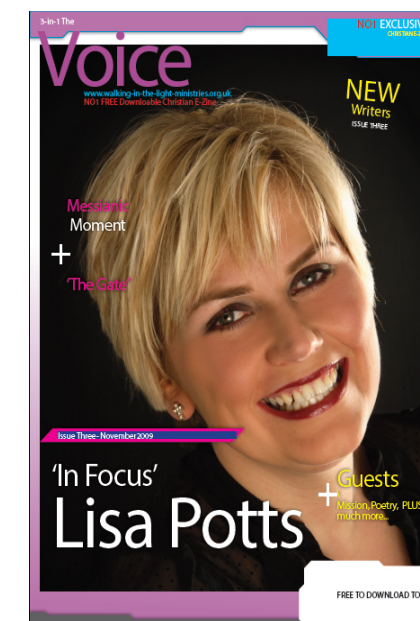

I decided that it would be a good idea to give all the files to Ruth for safe-keeping. Because I have moved a lot and I am basically careless with things, I thought it too important for me to look after. After all 3-in-1 The Voice would be a shofar to the nations.

Below: The original covers of 3-in-1 The Voice have been replaced with more updated versions as technology has allowed.

2017

Fast-forward to July 2009. It was a week just like any other. When suddenly out of nowhere and like a bolt from the blue, I started to see the vision of 3-in-1 Publishing and 3-in-1 The Voice again. This time it was stronger and more vivid. Everyday that week I saw the e-zine. So I started to ask questions of my youngest daughter. She had just graduated the year before in Creative Multimedia from one of Europe's top universities. I asked her if there was a way to download a magazine from the Internet. She relied 'Pdf.' I asked her if she knew how to do it. 'Of course,' was the rhetorical reply. Like where have to been the last few years!

*Some of the famous faces who have graced our covers over the years...*

I started to get excited. This could be it. The sign I had been waiting for all these years. Just to make sure I decided to call my friend Ruth, I wanted to run it past her to see if she had received anything. I called and before I could even get the salutations out of the way, she said 'Karin you won't believe what I came across the other day.' I asked her what it was and she said 'you remember that vision you had all those years ago. Well I came across all the floppy disks and files.'

I knew it was God's time. I asked her to please mail them to me. A couple of days later they arrived. It was an amazing feeling, to see God's vision as a tangible manifestation in the natural. WOW!

As it was my daughter was also able to design logos and build websites. On July 27th, 2009, 3-in-1 Publishing went live on the Internet. The date for publication was October 1st, 2009. I still hadn't a clue who I was going to interview, but I knew that God would bring it about...and how that happened is another story for another time - but it is suffice to say it is miraculous. HERE'S TO THE NEXT DECADE!!

## MORE THAN A SELF-IMPROVEMENT BOOK!

*The Dubai Girl* is a book like no other. I believe that this book has the power to release God and assist the reader to touch the divine.

Everyone is looking for the truth whether they are aware of it or not. This book enables the reader to understand something truly important. That religion is not about hoping that God is real but about experiencing it through life experiences - God is very real. This purposefully helps one to identify the purpose of God in one's life.

Using her own life experiences, Weppler utilizes this skillfully to enable the reader to create one's own life purpose blueprint. This, in turn, helps one to understand their identity in Christ, impacting other areas of life.

As human beings we tend to 'wander' from our path. However, remaining focused on God with align you with God's purpose for your life. Weppler also discovers something else that is essential in anyone's walk in life. Discerning and identifying the enemy. Not only this but *'correcting the lies you believe.'*

This book is real, down-to-earth and practical. Deeply spiritual, moving and beautifully written with passion, love and hope. All embossed in faith, embedded in Jesus. I would truly recommend *The Dubai Girl* for everyone.

## DR SANDRA WEPPLER

In her own words...

**Q1. Hi Dr. Sandra. Thank you for participating. Tell me how did you come to know the Lord Jesus as your Lord and Savior?**

I was only 19 when I first received the Lord in Dubai, United Arab Emirates. There were only two born-again churches at the time and my church had set up a three-day retreat. God's timing is always perfect. Right there in the middle of the desert as the worship team starting praising God, I was hit by the power of the Holy Spirit. The next day, I decided to get water baptized in the pool. When I stepped out, I sat down near the stairs and cried for two hours as the love of Jesus swept over me. The third day after my pastor prayed over me I was baptized with the gift of tongues and the gift of prophecy. It was certainly a power-packed 3 daya, and the start of my life-changing journey with the Lord Jesus Christ.

**Q2. Can you tell me a little about the vision behind 'The Voice of Truth Prophetic TV'?**

The Lord started to speak to Dwayne Weppler (my spouse) and I about Voice Of Truth Prophetic TV in 2013. It was then called Voice Of Truth Revolution which meant revival. I filmed a couple of episodes and then stopped as my father Michael D'Souza passed away in August of that year. Dwayne and I then moved to Dubai for about two years. During that time, God was preparing us to take the media mountain for the Him. When I first began filming in 2013, he gave me a dream, and in August of 2018 He gave me the exact same dream. I knew He wanted me to pick up where I left off and that's exactly what I did. The Holy Spirit helped me to re-brand the name and the Father had given me many references to taking His voice to the nations. That became our mandate. The rest is history.

**Q3. Has the outreach of The Voice of Truth exceeded your original expectations?**

Within three months after its launch around December 2018, we were already touching 100,000 people. We saw an acceleration over this initiative from God. Today, after broadcasting on various other Internet TV Networks, Social Media and TV stations, we now touch more than 1.7 million people globally.

**Q4. You are a contributor on multiple Christian sites. How important is writing to you?**

Writing and keynote speaking has always been God's idea for my life. He told me that He wanted me to write and speak. He continues to open doors to these kinds of opportunities. My book, *The Dubai Girl: How My Life-Changing Journey Will Unlock Your Destiny*, became a best seller about four months after it was launched. Again, all glory goes to Him for that as well.

I also write for prophetic sites that have strongly validated my prophetic gift and the gift of healing. My ministry is to help people to get out of bondage as I did after suffering with debilitating anxiety attacks and suicidal thoughts for 30 years.

In the last five years, I pressed in and took God's Word seriously and fought very hard for my freedom. Finally, in Sept of 2018, I was supernaturally delivered on a flight going to Texas where I was to join Dwayne at a conference. Sending my message out and praying for people to receive breakthrough is a very important part of my life, my passion and mandate from our heavenly Father.

**Q5. You move powerfully in the realm of supernatural breakthrough and healing, how does this manifest?**

It is truly a gift for sure. I have a very intimate relationship with the Father and I know my identity as a daughter of the Lord. He has given me special revelation around what is called *Rosh Chodesh* which is the Jewish head of the month or beginning of the month.

Many of our own personal breakthroughs have come through acknowledging and celebrating that day every month without fail. Apart from that, He has also shown me that I might have some Jewish heritage in me. He started to bring some of this to light in April 2012 and revealed a lot of what was going to happen around that time. I was still putting the puzzle together and because I was crippled with fear, it was really hard to believe that all of this would transpire in my life.

However, that changed once I got tired of how the fear was ruling over my life and got serious about His Word and my freedom. I always knew there was more, and I knew He had a plan and purpose for my life and here I am today. All glory goes only to Him. Whenever I preach, many say that my voice carries authority. They say that they can feel the tangible presence and power of God and the atmosphere shifts and it is charged with electricity by the Holy Spirit. Many are slain, others cry and the Prophetic gift shocks many with the level of accuracy that comes to me from the Holy Spirit while praying for them. Healing takes place and many experience some level of deliverance on the spot.

**Q6 How did you get started in the amazing ministry?**

I have always involved in serving God since I was 19. I been on coffee stations at church, clean-up crews, pastoral teams, I even cleaned bathrooms and served humbly for most part of my Christian life. A lot changed in my life around April 2012, when I went on a partial 40-day fast and I continued to evangelize on a one-on-one basis. This was whenever I got the chance - wherever I went.

In 2013, after my father passed away, I felt the full capacity of the love of the Father when I was grieving for my earthly father. Since then, He has done everything for me. He has opened every door, every opportunity, and every gift – and all credit goes to Him. I am not a pastor's kid and I certainly did not get a helping hand to move into the place where I am right now. God alone has done it all.

At the time, I use to get so frustrated because I always felt that no one was giving me a chance but now I know that He is a jealous God and only He wanted to take credit for it. I personally think this is really good because today no one can dispute the fact that it is all God from the beginning to the end. And that's how it should be in the Kingdom.

**Q7. What sets apart The Dubai Girl from a self-improvement book?**

The Dubai Girl is written for Christians and non-believers alike. It is an 'equipping book' and has many tools on how to prepare your mind and heart. I teaches you how to change your behavior and identify negative triggers and patterns that try to prevent you from meeting and understanding God's leadership and sovereignty in one's life. It also unravels the heart of the Father to the reader. Many can relate to Jesus and to the Holy Spirit but the Father is the one who is the most misunderstood.

I believe He wanted me to introduce that part of His heart to my readers. I have tried to weave that into every chapter in some way. The Dubai Girl also shows the reader how to build an intimate relationship with God, how to receive God's love, and how to encounter Him and bond through prayer.

It also helps the reader identify God's vision and purpose for their life in a tangible way. To help them explore how God would work to accomplish His vision and His purpose. Also, to learn how to stay focused and avoid distractions and roadblocks throughout this process. Because of the anointing that the Father has placed over my life, many get healed and delivered just by reading the book.

**Q8. When did your breakthrough come?**

My life-changing deliverance and breakthrough came in Sept 2018. However, it really started to unfold in late June of 2018. At the same time, we also started to receive multiple financial breakthroughs in our life. On one of our programs, Doug Addison, who is one of our personal mentors, validated that the Angel Gabriel, who is the Archangel over communication, was over our ministry.

From that moment we carried the spiritual authority of breakthrough in our lives. From 2013 onwards, after my father passed away, the spiritual realm opened up to us like never before. We kept seeing 333 over and over again. This continues as do doves, that continue to follow us around. Even when we moved to Dubai! We have also felt angels around us, and they have left feathers around many times indicating their presence.

**Q9. How important is it to live a purposed-filled Godly life?**

I believe that God placed us here on this earth to follow his agenda and his plans for our life. He knew us even before the world was created. We are the citizens of Heaven and our names are written in His Book of Life.

Time on earth goes fast and if we do not live it with intentionality, before we know it, we will be filled with regret and disappointment. It is really important, even more so, to the Father, that we live a purpose-filled Godly life. However at all stages of our lives we always have to ask ourselves, "What defines us?" Does the world, fame or fortune define us or does what is on the heart of Father and Jesus define us?

*"...when God has a plan and purpose for your life, and you do not give up on Him, He rewards that kind of still, quiet, humble faith."*

There is a fine line, when we get into the realms of being successful. Being humble and giving Him all the glory and knowing who gave us the mandate, is very important in the long run. If we do not have the character to sustain the glory of God and His plans for us, we are better off sitting it out and being hidden. Moving before the appointed time of God and pushing our own doors opens up personal agendas.

It never works. If you know you are meant for more and continue to pursue your relationship with God, He will take you where He wants to and He will do it in the way that only he know is the best for you. That has been my personal experience and testimony.

It has been a long 30-year journey of crying a swimming pool of tears, and being rejected by many, However, when God has a plan and purpose for your life and you do not give up on Him, He rewards that kind of still, quiet, humble faith.

My passion is to take the voice of the Father to the nations and whichever door he opens for me, I will prayerfully walk through it. He and only He leads me and that's how it will always stay. I have many accountability partners, but the ultimately the voice of my Heavenly Father matters the most in our lives.

# MARY HASZ IN IRELAND 2019

Report by  
Donna Taggart & Jodie Taggart Mills

## Seven Days With Mary Hasz Donna Taggart Ministries, NI.

*Mary and Rich Hasz flew into Dublin, Ireland before they came North to Minister to us. Mary and Rich live at Moravian Falls, North Carolina, USA and five adult children. Some of Mary's time in the north is shared by Donna's Daughter, Jodie, as Donna was unable to go on these Journey's due to her season in a wheelchair, Jodie shares the next part with you.*

### MONDAY

Mary and Rich were booked for an interview in Studio of the UK & Ireland Branch of the Holy Spirit Broadcasting Network, California. Donna is the Branch Director and has her own Broadcasting slot called *One New Man*.

Mary was booked to minister to people following the interview. This was for personal appointment's which filled up amazingly fast once they were offered out! Mary brought to light within people, hidden traumas, that were hindering each person from going further with Jesus. Mary teaches how when trauma settles in our hearts it can manifest as pain and disease in our body, as it creates a landing strip for the enemy to use in a multitude of ways.

Mary found this out for herself when she was publicly humiliated in her church. That hurt lay buried deep within her heart until Holy Spirit revealed it to her during her journey to understand why the incurable disease of Muscular Dystrophy - that she had been healed from in her teenage years - had returned with a vengeance.

This in-turn led her into 21 conversations with Holy Spirit for breakthrough, culminating in complete healing and to regaining the use of her hands and legs once more. Mary's story is an eye opener for anyone in the Body of Messiah, to show how they too can receive their healing by understanding these 21 Keys to Breakthrough.

### TUESDAY

Mary was in the Europa Hotel in Belfast. Where she shared on *Releasing Creativity in your Church* and how she partnered with Holy Spirit in prophetic art that touched and spoke to people in their individual circumstances.

### WEDNESDAY

We were in Harrison's of Grey Abbey where Mary shared on "The Healing Journey". And before the event had even started Mary prayed with a lady for the healing of her wrist, which she had been unable to use for years as the pain level was a constant 10/10. So, after Mary prayed with her all pain left and her pain level when asked by Mary became a 0/10. All through the meeting she was continually moving her wrist because she had been unable to do this for a longest time!

### THURSDAY

As each day passed, word of Mary's Healing Journey was spreading and by Thursday's event in the Lough Shore Hotel in Carrickfergus we had many people show up who had heard from others who had already attended. Mary shared on the 21 conversations with Holy Spirit for breakthrough and many came forward for prayer and the anointing was mighty.

### FRIDAY

We had the Sh'ma Kingdom Dancers join with us, they travelled from England and we had arranged to meet them at the airport where we had booked a coach to travel around Belfast they could outreach to people on the street. The dancers performed Davidic Dance at the Belfast, Titanic Quarter then onto Corn Market in the City Centre. The sun was shining and there were many people on the streets shopping. There was a band busking so Ginnie, Founder and Dance Leader from Sh'ma Kingdom Dancers UK, approached them to ask if they would mind playing a Gospel song for them to dance to. One of the buskers did not want to even speak about Jesus, he said he had been badly hurt and was not open to even considering this. Ginnie, called her team to come pray for them, and they prayed God would bless the guy who had been hurt and bring the him back to Jesus. Ginnie, then put a large donation in their open suitcase and as she was walking away, one of the buskers said to her that there was one song they could play that might work for the dancers. This was huge and an instant answer to prayer! They played "Hallelujah" by Leonard Cohen. God had provided this divine opportunity for the dancers to perform. Many people gathered to watch and record the performance on their mobile phones. It was a beautiful reprieve from the normal hustle and bustle of shoppers around the streets of Belfast. The dancers were able to minister and pray with people for healing for anyone who asked.

Then everyone back on the coach and took us out of the City Centre, to travel along the coast road to the County Down Peninsula. This was the first time the Dance Team had ever seen some of the beautiful scenery of Northern Ireland.

This was also Mary and Rich's first trip to Northern Ireland. Although the dancers have been with Donna Taggart Ministries many times over the years, they had not had any opportunities for sightseeing. Therefore, this was a special treat. Following the trip, our next destination was in *Harrison's*, to have dinner after a long day Ministering to others.

## **SATURDAY**

Saturday brought the week to a close with our event in Parliament Buildings, Stormont. Donna Taggart Ministries has been holding events in Stormont for eleven years, and this was to be our final event.

The event was opened by Ms Joanne Bunting MLA who also sponsored the event and made it possible for us to raise the name of Jesus in our Government level. Mary prayed for our government and prayed against the division that had lasted almost 1000 days at the time of writing. She shared on "The Healing Journey" and how knowing Holy Spirit is vital to all believers in Jesus.

Mary's book "21 Conversations with Holy Spirit for breakthrough: The Healing Journey" is available on Amazon and also through Donna Taggart Ministries for UK & Ireland residents for £12 pounds.

The recordings of Mary's time in Northern Ireland will be available on our YouTube page [HSBN.tv/donnataggart](https://www.youtube.com/channel/UC8BNv-donnataggart) in the next few weeks.

Donna Taggart Ministries are delighted that for twenty-five years we are and have always been a debt-free Ministry. This is totally in-line with His Holy Word 'Owe no man anything but your love!' Romans 13 v 8,

The Lord has shown Donna that our twenty-five years of Pioneering/Planting has changed to a season of building! Jeremiah 1 verse 10.
