Wholeness is - *YOURS!*

Wholeness is hard to perceive if you've never had it.

Try to imagine being free, cleansed,
healed & equipped for life.

Well, you can be all these things! God has given us all the
necessary tools for every eventuality.

Until we look for them, or are taught about them,
we just don't know they're there!

Here is foundational teaching with ministry
for YOU to be whole.

Healed nearly 20 years ago, Becky will be sharing key teaching
on how to release your healing, your miracle,
your WHOLENESS in Jesus.

POWERFUL & LIFE-CHANGING!
