About The BLISS Organizer

Sandra

Sandra Godley is a Multi International Award Winning Gospel Singer and Mobo Nominee. From Coventry in the UK, Sandra is in high demand not only in the UK but all over the world and has performed at many International Awards Ceremonies and events.

This year Sandra is organizer of the BLISS Conference building upon the success of the inaugural event in 2014. This year it is being hosted at the impressive EXCEL Convention Centre in London, UK where literally thousands will be in attendance.

Born in Bristol, UK, of Jamaican parents, Sandra grew up listening to the likes of Aretha Franklin, Amy Grant, Jessy Dixon, Andrae Crouch and Anita Baker. Her earliest memories of singing and song writing were when she was 12 years old, performing at many conferences, festivals and fronting 2 bands. Sandra came out of these experiences stronger and prepared for her own solo career. Her classy, refined vocals have been compared to Des'ree, Anita Baker and Sade.

Undaunted with the task of organizing such a big event, Sandra, who is managed by famous Tennessee based C & C Music Group, has just released her latest single '*Do you Believe*' which has raced up to the No.1 Spot in the Gospel Charts. Sandra Godley is a clear communicator with a strong ability to encourage anyone around her to keep pressing on, there the BLISS CONFERENCE could not be in better hands. www.sandragodley.org
